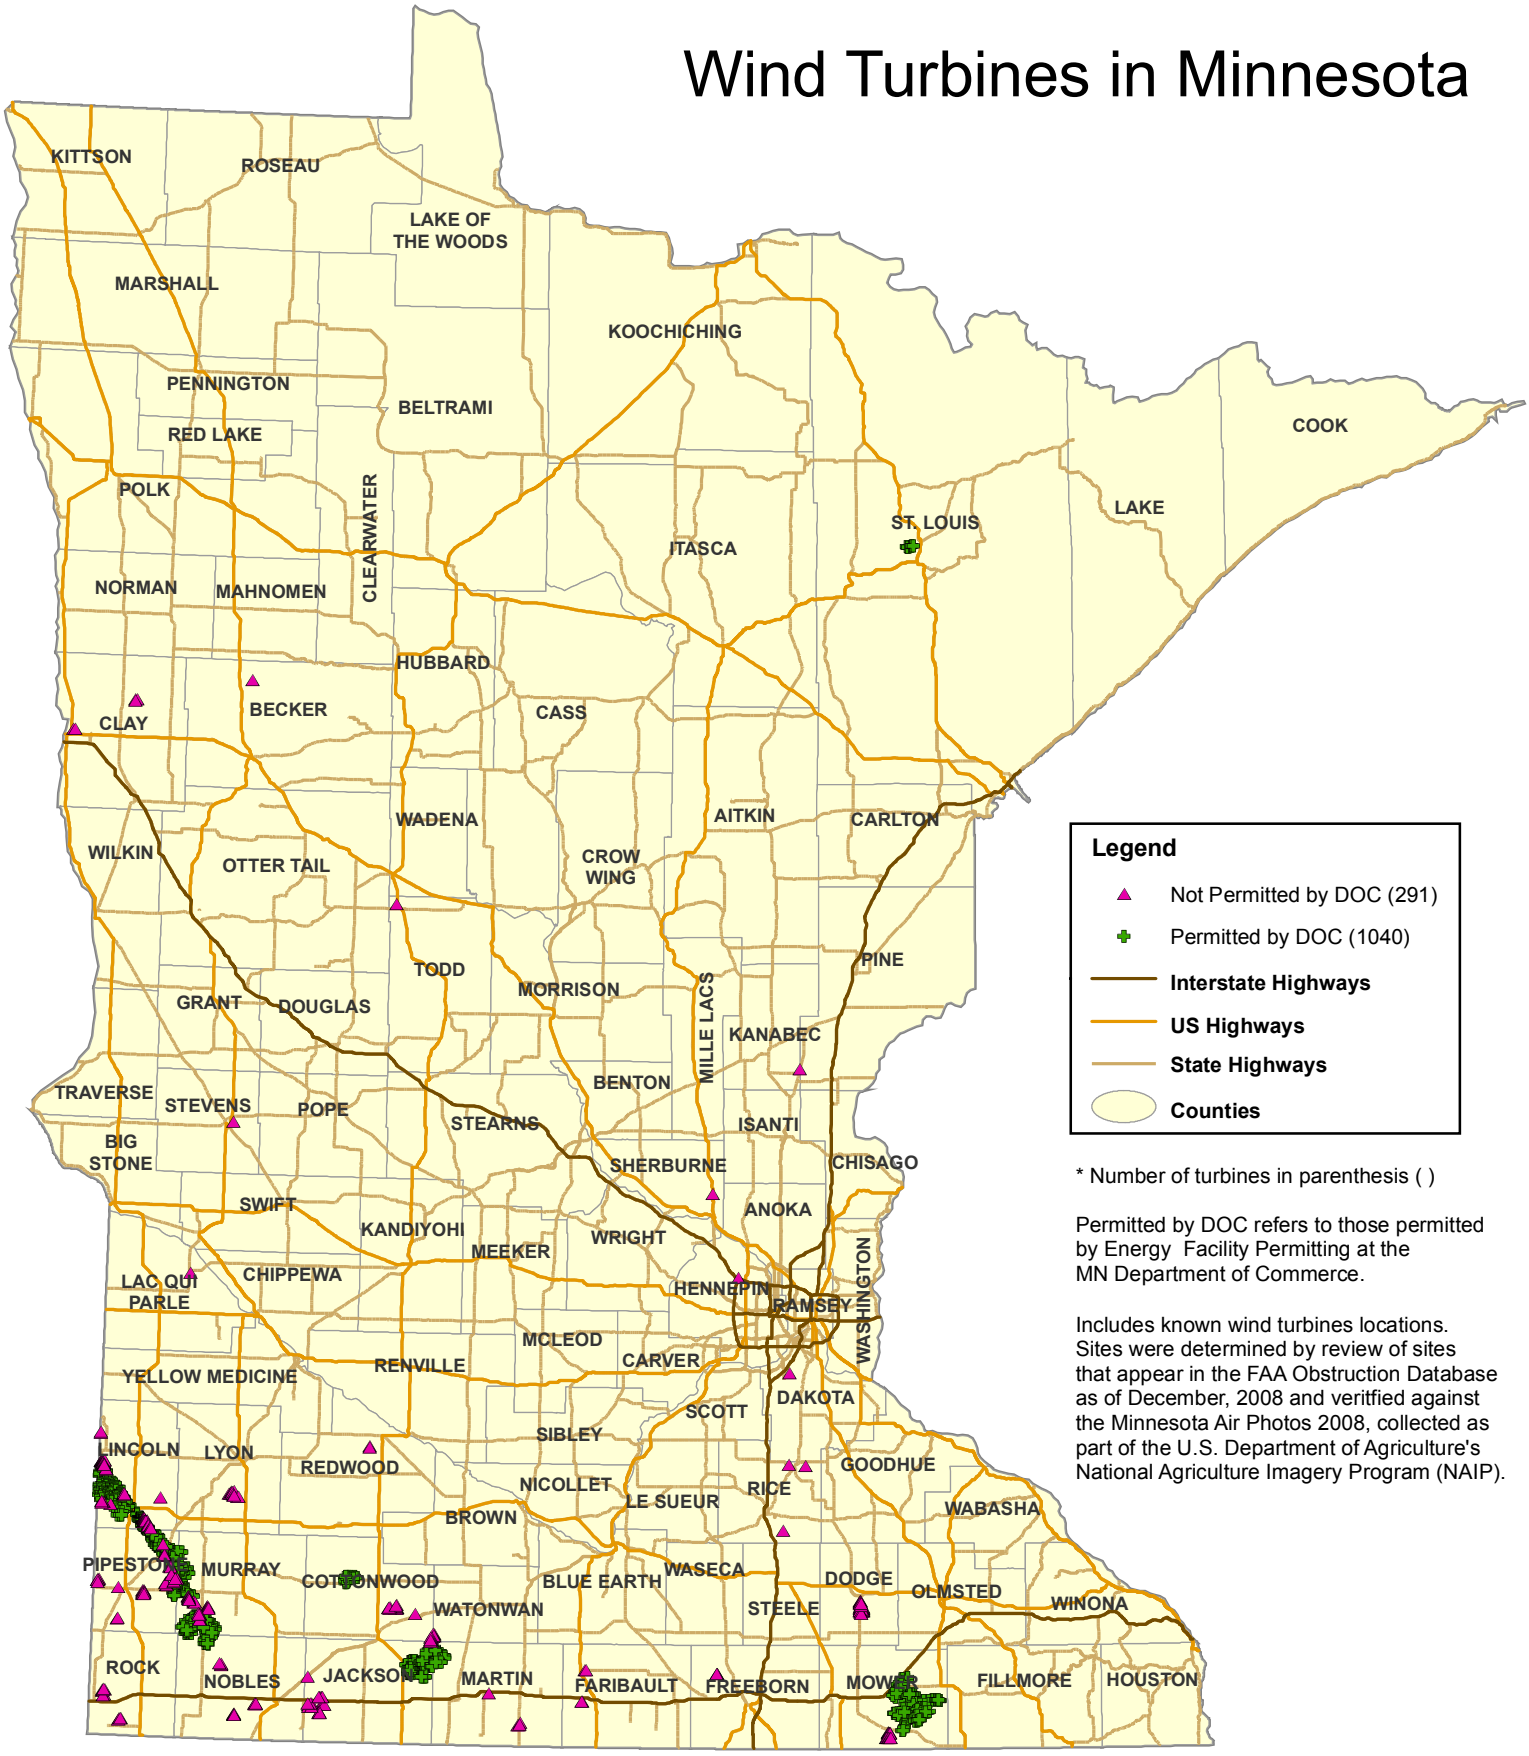
Wind Turbines in Minnesota



* Number of turbines in parenthesis ( )

Permitted by DOC refers to those permitted by Energy Facility Permitting at the MN Department of Commerce.

Includes known wind turbines locations. Sites were determined by review of sites that appear in the FAA Obstruction Database as of December, 2008 and veritfied against the Minnesota Air Photos 2008, collected as part of the U.S. Department of Agriculture's National Agriculture Imagery Program (NAIP).

Prepared for the Minnesota Department of Commerce Energy Facility Permitting by the Department of Administration's Land Management Information Center, Jan 2009.
