Xcel Energy PINGP Power Uprate Project

Name: Doreen Hagen **Representing:** Individual

Address: 1895 Buffalo Slough
Welch, MN 55089 **Email:**

Comment: No more casks!!
I am concerned about more dry cask storage at Prairie Island Nuclear Power Plant. Do not create more waste without any plans except to sit above ground for unknown years. Consider the terrist attack that could happen. No where in the U.S. does anyone live more closer to a nuclear power plant than the Prairie Island Indian Community. No MORE storage above ground, have a plan in place to remove them.
