Re: Application for a Certificate of Need and Route Permit by Great River Energy and Minnesota Power
Menahga Area 115 kV Project
Docket Nos. ET2, E015/CN-14-787; ET2, E015/TL- 14-797
Corrected Appendix J – Landowner List

Dear Mr. Wolf:

On January 15, 2015, Great River Energy, on behalf of Great River Energy and Minnesota Power (Applicants), filed the combined Certificate of Need Application and Route Permit Application to construct approximately 22.5 miles of 115 kilovolt (kV) transmission line and associated facilities in the Menahga area in Hubbard, Wadena and Becker counties, Minnesota.

Since the filing, it was discovered that the list provided in Appendix J, Landowners within Proposed Route, was incorrect. Please find attached a revised Appendix J with the correct landowner list.

Please direct any questions you may have with respect to this corrected filing to me at 763-445-5214.

Sincerely,

GREAT RIVER ENERGY

Carole L. Schmidt

Carole L. Schmidt
Supervisor, Transmission Permitting and Compliance
