Please share your comments on the application and draft site permit to limit potential impacts, and mitigation measures to be considered in the record of this proceeding.

Turn this form in tonight or mail to the address provided on the back (use additional sheets as necessary). You may also email comments to Larry Hartman, Project Manager at: **larry.hartman@state.mn.us** with IP6646/WS-09-584 in the subject line or you may submit comments on-line at http://energyfacilities.puc.state.mn.us/. **Comments must be received no later than 4:30 p.m., Wednesday, November 4, 2009.**

This letter is in regards to the dropped wind tower in section 20 in Summit Lake Township in Nobles County, Mn. We are disappointed that the tower was eliminated because it was too high according to the FAA. We feel that no plane will ever fly through the nearby towers. We are wondering if this tower could be moved to a different spot or lowered on this property?

We hope that the wind tower project goes well for you ☺

Signature: Yvonne Sieve Donald L Sieve Date: Oct. 24, 2009
