MINNESOTA
BOARD OF NURSING

Board Actions are Public Data

The Minnesota Board of Nursing is authorized to impose several actions on a nurse's license(s) when it has been determined that the nurse has violated the Minnesota Nurse Practice Act, and the Board has concluded such an action is necessary to protect the public.

Board actions include Agreement for Corrective Actions, Findings of Fact, Conclusions, and Final Orders, Stipulation and Consent Orders, Stipulations to Cease Practicing Nursing, Orders for Automatic Suspension, Orders of Suspension, Orders for Temporary Suspension.

State law requires that all Board actions are publicly available.

- State statute 13.41, subdivision 5 is linked here.
- All actions are publicly available on the Minnesota Board of Nursing website here.
- Actions remain associated with a nurse's licensure, including when the action requirements are completed.

Federal law requires that all Board actions be reported to National Practitioner Data Bank.
