Project Name: Southwest Twin Cities 115 kV HVTL Upgrades (Glencoe - Waconia)

Docket number: E002/TL-10-249

User Name: Mark Gieseke

County: Washington County

City: Stillwater

Email: mkgieseke@msn.com

Phone: 651-439-016

Impact: My family owns farmland along TH 5 north and east of Norwood Young America. The land is in the path of the line both on the north side of TH 5 near the lake and on the south side just east of town on the existing line path.

Our concern is similar to others expressed at the public information meeting in that the power line path runs deep into the fields, making it more difficult to farm around.

Mitigation: This impact could be mitigated by locating the line as close as possible to TH 5, keeping it out of the middle of the field.

Submission date: Sat Mar 5 17:17:21 2011
