Subject: power line in Phillips
Date: Saturday, March 26, 2011 1:57:40 AM

Dear Mr. Storm;

I live in the Phillips neighborhood of Minneapolis. I'm sure that you've heard from many of my neighbors voicing their opposition to the proposed power line. I'm writing to say that I hope that you will approve their plan. Excel provides me with very reliable power, and I like it that way.
