PUBLIC COMMENT FORM

Fargo to St. Cloud 345 kV Transmission Line Project
PUC Docket No. E002, ET2/TL-09-1056

Name: Harland Hector
Address: 45545 440th st
City: Sauk Centre State: MN ZIP: 56378

Please share your comments on the potential impacts, mitigation measures and alternative routes to be considered in the scoping document and environmental impact statement to be prepared for the proposed Fargo to St. Cloud 345 Kilovolt High Voltage Transmission Line Project.

Turn this form in today or mail to the address provided on the back (use additional sheets as necessary). You may also email comments to David Birkholz, Project Manager at david.birkholz@state.mn.us with **TL-09-1056** in the subject line. Faxed comments can be sent to 651.297.7891. **Comments must be received no later than 4:30 p.m., Friday, February 11, 2009.**

I am writing this Letter Hoping you to reconsider ~~where~~ where the power line is going. The Route you have now is affecting 4 Homeowners. If you place the line along 440th st. It would decreace my property Value, there is another Route I would like to suggest that would be cheaper for you, Less line and a straight line that would not affect anybody. We dont want the noise, or the static from my steel shed.
