Comment: My 3 main concerns about this whole, work going on this is ① What property that I have left is A family homestead. Would like to keep it that way for generation to come.

② I personality contacted 5 realestat Companys in the last week, 4 out of the 5 agents said that they would not even look at my property to sell.

③ What kind of health problems is this going to bring on. We are only 1/4 mi or less from my house,
