IMPORTANT: The applicant is hereby placed on notice that he/she must comply with all provisions of the Applicable codes and ordinances governing Zoning, Subdivisions, Goals and Policies of City of Becker, Flood Plains, Wetlands, Shoreline Development, Sewage, Water and Wells, and the Building Code. Reference is specifically made to the fact that the City of Becker has ordinances establishing: minimun building setbacks from corners, lot lines and shorelines; minimum lot sizes and yard requirements. Copies of these ordinances may be purchased from the Zoning Administrator and are on file for your examination in the office designed by the City of Becker. All electrical work is regulated by the State of Minnesota. Building plans and specifications are required for each structure. **Building Inspector is to be contacted at least 24 hours before each inspection.**

The applicant hereby acknowledges that the continued validity of this permit is contingent upon the compliance of all work done and material used with the plans and specs herewith submitted and with all applicable codes and ordinances.
