Subject: Minnesota Pollution Control Agency Update for Hearing Notice for Proposed Rules Adopting Federal Permitting Requirements for Emission of Greenhouse Gas

Having trouble viewing this email? View it as a Web page.

You are subscribed to Federal Air Permit Thresholds for Greenhouse Gases Rule for the Minnesota Pollution Control Agency. This information has recently been updated, and is now available.

Dear Interested Parties:

The Minnesota Pollution Control Agency (MPCA) received more than the 25 requests needed to hold its scheduled hearing on the rules proposed in its July 9, 2012, Notice to Adopt permanent rules requiring permits for those entities emitting greenhouse gas above a certain threshold (notice archive at this link: www.pca.state.mn.us/index.php/public-notices/archived-public-notices.html). The Agency will not seek withdrawal of any requests prior to the hearing. The hearing will occur at the Minnesota Pollution Control Agency, 520 Lafayette Road, St. Paul, MN 55155, on August 30, 2012, from 2:00 to 3:00 p.m., in Room 4.1. This process is governed by hearing provisions found in Minn. Stat. § ch. 14 (www.revisor.mn.gov/statutes/?id=14) and Minn. Rules, ch. 1400 (www.revisor.mn.gov/rules/?id=1400).

The MPCA must comply with the hearing details described in the legal notice. The MPCA tried to schedule a convenient time based on past experience with common participants in rulemaking proceedings. You are not required to attend to express your concerns related to these rules. The presiding Administrative Law Judge will provide instructions to submit written concerns that will be considered part of the hearing record and the Judge's ruling (these typically must be received within five days following the hearing).

The Honorable Manuel Cervantes of the Office of Administrative Hearings will serve as the Administrative Law Judge overseeing the hearing and rulemaking procedures. Generally, the MPCA will introduce the proposed rule and supporting documents at the hearing and will present testimony regarding the need for and reasonableness of the rule. Interested parties may testify or submit written comments about concerns specific to the proposed rules or to the MPCA's process. The judge will then establish a time period for the Agency to respond to comments of record, after which he will issue written findings on the rules and process.

Please call or contact me if you have questions.

Sincerely,

Nathan Brooks Cooley

Minnesota Pollution Control Agency

CERTIFICATE OF GIVING ADDITIONAL NOTICE

Proposed Amendment to Agency Rules Implementing Permanent Federal Air Permit Threshold Regulatory Relief for Greenhouse Gases (GHGs), and Clarifying when Permits Apply to Owners & Operators, *Minnesota Rules*, chs. 7005 Definitions and Abbreviations, 7007 Permits and Offsets, and 7011 Standards For Stationary Sources (parts 7005.0100, 7007.0050, 7007.0100, 7007.0150, 7007.0200, 7007.0250, 7007.0300, 7007.0325, 7007.0350, 7007.0400, 7007.0500, 7007.0750, 7007.0800, 7007.0950, 7007.1050, 7007.1100, 7007.1105, 7007.1107, 7007.1110, 7007.1115, 7007.1120, 7007.1125, 7007.1130, 7007.1140, 7007.1141, 7007.1142, 7007.1145, 7007.1146, 7007.1150, 7007.1300, 7007.1400, 7007.1450, 7007.1500, 7007.1850, 7011.2305, 7011.2310 and possibly related parts)

I certify that on July 9, 2012, at least 32 days before the end of the comment period, at the City of St. Paul, County of Ramsey, State of Minnesota, I mailed the Notice of Intent to Adopt Rules With or Without a Hearing (Dual Notice) with links to the notice and proposed rules on the Agency's Notices Web page by sending the attached Notice to all persons and associations on the self-subscribed GovDelivery rulemaking interested parties mailing list established in compliance with Minnesota Statutes, section 14.14, subdivision 1a. Besides the Notice sent to about 702 parties self-subscribed as interested in the greenhouse gas rulemaking, the agency sent to a total of about 1388 parties self-subscribed on GovDelivery as interested in related topics of general rulemaking or general air issues. The notice is attached and the distribution list I used appears under Exhibit 6.

I also certify that in addition to the above Notice, on August 14, 2012, having received at least 25 hearing requests, I sent additional notice by email to each person who had requested a hearing that the Agency planned to proceed with the hearing as proposed. I also sent that same additional notice to the list of 702 persons who self-subscribed as parties interested in the greenhouse gas rules. The Notice email is attached along with two distribution lists: 1. The list of parties who requested a hearing (with a few additional Agency staff), and 2. The GovDelivery list to which I sent this additional notice.

I certify that on 7/6/12, I emailed an additional copy of my notice to legislators to four pertinent legislative assistants with attachments (copy attached).

Finally, I certify that on 8/24/12, I emailed additional hearing notice to a bcc list of 10 people who identified themselves as interested parties during the good cause exempt temporary rulemaking. I attached the email and the list. One email address no longer worked.

Subject: Hearing Notice for Proposed Rules Adopting Federal Permitting Requirements for Emission of Greenhouse Gas

Dear Interested Parties:

The Minnesota Pollution Control Agency (MPCA) received more than the 25 requests needed to hold its scheduled hearing on the rules proposed in its July 9, 2012 notice to adopt permanent rules requiring permits for those entities emitting greenhouse gas above a certain threshold (notice archive at this link: www.pca.state.mn.us/index.php/public-notices/archived-public-notices.html). The Agency will not seek withdrawal of any requests prior to the hearing. The hearing will occur at the Minnesota Pollution Control Agency, 520 Lafayette Road, St. Paul, MN 55155, on August 30, 2012, from 2:00 to 4:30 PM, in Room 4.1. This process is governed by hearing provisions found in MN Stat, Ch 14 (www.revisor.mn.gov/statutes/?id=14) and MN Rules, Ch 1400 (www.revisor.mn.gov/rules/?id=1400).

The MPCA must comply with the hearing details described in the legal notice. The MPCA tried to schedule a convenient time based on past experience with common participants in rulemaking proceedings. You are not required to attend to express your concerns related to these rules. The presiding Administrative Law Judge will provide instructions to submit written concerns that will be considered part of the hearing record and the Judge's ruling (these typically must be received within five days following the hearing).

The Honorable Manuel Cervantes of the Office of Administrative Hearings will serve as the Administrative Law Judge overseeing the hearing and rulemaking procedures. Generally, the MPCA will introduce the proposed rule and supporting documents at the hearing and will present testimony regarding the need for and reasonableness of the rule. Interested parties may testify or submit written comments about concerns specific to the proposed rules or to the MPCA's process. The judge will then establish a time period for the Agency to respond to comments of record, after which he will issue written findings on the rules and process.

Please call or contact me if you have questions.

Sincerely,

Nathan Brooks Cooley

Subject: FW: Minnesota Pollution Control Agency Update for Hearing Notice for Proposed Rules Adopting Federal Permitting Requirements for Emission of Greenhouse Gas

Dear interested party:

The agency has you on a list of parties interested in a previous temporary rulemaking to adopt federal rules to issue permits to emitters of greenhouse gas above a certain threshold (a.k.a. tailoring rules). The agency adopted those rules on January 24, 2011 using a temporary process (they would expire next January 24th).

The agency has recently proposed related rules that, in part, would make the temporary rules described above permanent. I am forwarding the attached hearing notice in case you remain interested. You are welcome to attend the hearing or to submit written comments related to the proposed rules. You may find more information about these rules at this agency Web site: http://www.pca.state.mn.us/index.php/air/air-permits-and-rules/air-rulemaking/air-quality-rules-possible-rule-to-adopt-federal-air-permit-thresholds-for-greenhouse-gases.html

I apologize if you've receive this notice more than once as the agency now uses an automated system (called GovDelivery) where interested parties are encouraged to self-subscribe to issues of interest. The agency sent notice of the proposed rules to that list on August 14, 2012. If interested in subscribing to this or other issues, please see the GovDelivery maroon envelop connect icon at the agency's home page: http://www.pca.state.mn.us/

Please contact me if you have questions.

Sincerely,

Nathan Brooks Cooley
Rules Coordinator

Subject: Minnesota Pollution Control Agency Update for Hearing Notice for Proposed Rules Adopting Federal Permitting Requirements for Emission of Greenhouse Gas

Having trouble viewing this email? View it as a Web page.

You are subscribed to Federal Air Permit Thresholds for Greenhouse Gases Rule for the Minnesota Pollution Control Agency. This information has recently been updated, and is now available.

Dear Interested Parties:

The Minnesota Pollution Control Agency (MPCA) received more than the 25 requests needed to hold its scheduled hearing on the rules proposed in its July 9, 2012, Notice to Adopt permanent rules requiring permits for those entities emitting greenhouse gas above a certain threshold (notice archive at this link: www.pca.state.mn.us/index.php/public-notices/archived-public-notices.html). The Agency will not seek withdrawal of any requests prior to the hearing. The hearing will occur at the Minnesota Pollution Control Agency, 520 Lafayette Road, St. Paul, MN 55155, on August 30, 2012, from 2:00 to 4:30 p.m., in Room 4.1. This process is governed by hearing provisions found in Minn. Stat. § ch. 14 (www.revisor.mn.gov/statutes/?id=14) and Minn. Rules, ch. 1400 (www.revisor.mn.gov/rules/?id=1400).

The MPCA must comply with the hearing details described in the legal notice. The MPCA tried to schedule a convenient time based on past experience with common participants in rulemaking proceedings. You are not required to attend to express your concerns related to these rules. The presiding Administrative Law Judge will provide instructions to submit written concerns that will be considered part of the hearing record and the Judge's ruling (these typically must be received within five days following the hearing).

The Honorable Manuel Cervantes of the Office of Administrative Hearings will serve as the Administrative Law Judge overseeing the hearing and rulemaking procedures. Generally, the MPCA will introduce the proposed rule and supporting documents at the hearing and will present testimony regarding the need for and reasonableness of the rule. Interested parties may testify or submit written comments about concerns specific to the proposed rules or to the MPCA's process. The judge will then establish a time period for the Agency to respond to comments of record, after which he will issue written findings on the rules and process.

Please call or contact me if you have questions.

Sincerely,

Nathan Brooks Cooley

Rules Coordinator

Re: Proposed Amendments to Minnesota Pollution Control Agency (Agency) Rules Making Permanent Federal Air Emission Regulatory Relief for Greenhouse Gases and Stationary Spark Ignition Engines, and Clarifying when Permits Apply to Owners & Operators, *Minnesota Rules*, chs. 7005 Definitions and Abbreviations, 7007 Permits and Offsets, and 7011 Standards for Stationary Sources; Governor's Tracking #AR 1015

Dear Legislators:

~~Executive Summary: t~~The Agency intends to make permanent federal air permit threshold regulatory relief for greenhouse gases and stationary spark ignition engines, and to clarify when permits apply to owners & operators. The Agency's permitting program is tied to the federal program. The greenhouse gas permit threshold limits were adopted in good cause exempt temporary rules in January 2011.

Minnesota Statutes, section 14.116, states:

> "14.116 NOTICE TO LEGISLATURE.
>
> When an agency mails notice of intent to adopt rules under section 14.14 or 14.22, the agency must send a copy of the same notice and a copy of the statement of need and reasonableness to the chairs and ranking minority party members of the legislative policy and budget committees with jurisdiction over the subject matter of the proposed rules.
>
> In addition, if the mailing of the notice is within two years of the effective date of the law granting the agency authority to adopt the proposed rules, the agency shall make reasonable efforts to send a copy of the notice and the statement to all sitting legislators who were chief house and senate authors of the bill granting the rulemaking authority. If the bill was amended to include this rulemaking authority, the agency shall make reasonable efforts to send the notice and the statement to the chief house and senate authors of the amendment granting rulemaking authority, rather than to the chief authors of the bill."

The authority to adopt these rules was granted more than two years ago. The Agency is publishing a Dual Notice of Intent to Adopt Rules with or without a hearing in the July 9, 2012, *State Register* and is now mailing the Notice under section 14.14 or 14.22. The Notice proposes adopting these rules without a hearing unless the Agency receives 25 or more hearing requests.

As required by section 14.116, the Agency is providing the Dual Notice, the Statement of Need and Reasonableness and the Proposed Rules. These documents may be found at the following Universal Resource Locator (URL) address at the Agency's Public Notices/All Notices Web page during the notice period from July 9 to August 10, 2012 (or later archives):
http://www.pca.state.mn.us/index.php/about-mpca/mpca-news/public-notices/public-notices.html

If you have any questions about these rules, please contact me at 651-757-2290.

Yours very truly,

Nathan Brooks Cooley
Rules Coordinator
