Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Official Notices

Pursuant to *Minnesota Statutes* §§ 14.101, an agency must first solicit comments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

The *State Register* also publishes other official notices of state agencies and non-state agencies, including notices of meetings and matters of public interest.

Minnesota Department of Education

Division of Academic Standards, Instruction, and Assessment

Request for Comments for Possible Amendment to Rules Relating to Academic Standards in Physical Education, Minnesota Rules, part 3501.1410; Revisor's ID R-05042; Court of Administrative Hearings Docket Number 65-9005-42277

Subject of Rules. The Minnesota Department of Education (MDE) requests comments on its possible rule amendments that govern statewide academic standards in physical education. Minnesota Statutes 2026, section 120B.021, subdivisions 3 and 4 require MDE to develop statewide academic standards in physical education, adopt statewide rules for implementing those standards, and to review those standards beginning in the 2026-2027 school year, and every ten years thereafter.

Persons Affected. The amendment to the rules would likely affect the following groups and individuals:

- all content area teachers
- curriculum specialists, particularly those in physical education
- school administrators
- professional education organizations
- students
- parents
- caregivers
- advocacy groups
- community organizations with an interest in student health and wellness.

Statutory Authority. Minnesota Statutes, section 120B.021, subdivisions 3 and 4 requires MDE to adopt rules for statewide rigorous core academic standards in physical education and to implement the review of these standards and related benchmarks beginning in the 2026-2027 school year and every ten years thereafter.

Agency Contact Person. Written comments, questions, requests to receive a draft of the rules, and requests for more information on these possible rule amendments should be directed to Corrie Oberg at the Minnesota Department of Education, 400 NE Stinson Blvd, Minneapolis MN, 55413, Phone: 651-582-8200, and email: ***mde.rulemaking@state.mn.us***, or submit written comments via the Court of Administrative Hearings Rulemaking Public Comment Portal at ***https://comment.mn.gov/***.

Public Comment. Interested persons or groups may submit comments or information on these possible rule amendments in writing until 4:30 p.m. on January 22, 2027**.**

MDE will not publish a notice of intent to adopt the rules until more than 60 days have elapsed from the date of this request for comments.

MDE will appoint an advisory committee to assist in developing the possible rule amendments. Interested persons may find more information available on the ***department's academic standards webpage,*** or by emailing ***mde.acadmic-standards@state.mn.us***.

This public comment opportunity is associated with the development of possible rule amendments. Comments received in response to this notice will not be included in the formal rulemaking record submitted to the Administrative Law Judge if and when a proceeding to adopt rules is started. MDE is required to submit to the judge only those written comments received in response to the rules after they are proposed. If you submit comments during the development of the rules and you want to ensure that the Administrative Law Judge reviews the comments, you must resubmit the comments after the rules are formally proposed.

All comments received are public and will be available for review at the Office of Administrative Hearings and on the ***CAH Public Comment Portal*** at (***https://comment.mn.gov***). After the close of the comment period on January 22, 2027, the comments will also be available for viewing at ***MDE's rulemaking website*** at (https://education.mn.gov/MDE/about/rule/rule/).

Rules Drafts. MDE has not yet drafted the possible rule amendments. When a draft becomes available, it will be published on MDE's rulemaking website at: ***https://education.mn.gov/MDE/about/rule/rule/***.

Alternative Format. Upon request, this information can be made available in an alternative format, such as large print, braille, or audio. To make such a request, or if you need an accommodation to make this hearing accessible, please contact the agency contact person at the address or telephone number listed above.

Investment Advisory Council (IAC)
Official Meeting Notice

The Investment Advisory Council (IAC) of the Minnesota State Board of Investment will meet on Wednesday, December 2, 2026, at 1:00 p.m. The meeting will be held at the Retirement Systems Building, Room 117 (Main Floor), 60 Empire Drive, St. Paul, Minnesota.

Some members of the Investment Advisory Council may participate in the meeting electronically. If an IAC Member calls in, in accordance with Minnesota Statutes, section 13D.015, subd. 4, the IAC shall, to the extent practical, allow a person to monitor the meeting electronically from a remote location.

Minnesota Department of Transportation and Metropolitan Council
Request for Feedback on Proposed Small Business Enterprise program

The MnDOT Office of Civil Rights, in partnership with the Metropolitan Council, welcomes and encourages feedback on the proposed Small Business Enterprise Program. This program works alongside the DBE program to help create more opportunities for small businesses.

This program, if approved, may be applied on United States Department of Transportation–assisted contracts. SBE goals may be considered in place of DBE goals on certain projects.

Read the ***proposed SBE program plan*** for details about the eligibility criteria, size thresholds, and how small business participation on projects is counted.

The public feedback period is open Nov. 9 - Dec. 9, 2026.

Two information sessions are scheduled to review the plan and receive public feedback:

- DBE committee meeting
  Nov. 24, 2026
  11 a.m. - 12:30 p.m.
  Join the Nov. 24 DBE committee meeting online via Microsoft Teams

- Small Business Enterprise program info session
  Dec. 3, 2026
  2 - 2:45 p.m.
  Join the Dec. 3 Small Business Enterprise info session via Microsoft Teams

Feedback is also accepted on ***Let's Talk Transportation*** through Dec. 9, 2026.

For more information, visit ***www.mndot.gov/civilrights/sbe.html***.

State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the State Register, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

Minnesota Department of Commerce

Request for Proposals for Geothermal Planning Grant – Round 2 – COMM-*GT02-20261123*

The Minnesota Department of Commerce ("Commerce") seeks proposals from eligible applicants for qualified geothermal planning projects throughout Minnesota for the Geothermal Planning Grant program. Commerce will distribute $450,000 in grants to eligible applicants across Minnesota to examine the technical and economic feasibility of installing geothermal energy systems.

The Minnesota Legislature established the Geothermal Planning Grant Program in the 2024 legislative session to provide financial assistance to eligible applicants to examine the technical and economic feasibility of installing geothermal energy systems. Building upon the success of that funding round, Commerce will support a new round of applications with funds awarded through the Infrastructure Investment and Jobs Act.

This RFP is intended to provide a process for units of local government (including public school districts), tribal governments, public higher education institutions, and Minnesota-based non-profits to apply to the Geothermal Planning Grant Program. Successful applicants will receive subawards through Commerce from DOE through its SEP IIJA award DE-EE0010080, Assistance Listing Number 81.041. All subaward grantees will be required to comply with all applicable federal requirements of this award.

A Request for Proposals (RFP) is available for download on the Department's RFP website at ***Request for Proposals (RFP) / Minnesota Department of Commerce – Business (mn.gov)*** through the deadline of Monday, January 25, 2027, by 5:00 PM Central Time.

All responses to this RFP need to be submitted through a single responder user account via the grant portal.

State Grants & Loans

Applications must be submitted by the deadline of each respective round. **Late proposals will not be considered.** Instructions and links for submitting bids are detailed in the RFP and attachments.

This request does not obligate the State to complete the work contemplated in this notice. The State reserves the right to cancel this solicitation. All expenses incurred in responding to this notice are solely the responsibility of the responder.

State Contracts

Informal Solicitations: Informal solicitations for professional/technical (consultant) contracts valued at over $5,000 through $50,000, may either be published in the *State Register* or posted on the Department of Administration, Office of State Procurement (OSP) Website. Interested vendors are encouraged to monitor the P/T Contract Section of the OSP Website at *https://mn.gov/admin/osp* for informal solicitation announcements.

Formal Solicitations: Department of Administration procedures require that formal solicitations (announcements for contracts with an estimated value over $50,000) for professional/technical contracts must be published in the *State Register.* Certain quasi-state agency and Minnesota State College and University institutions are exempt from these requirements.

Requirements: There are no statutes or rules requiring contracts to be advertised for any specific length of time, but the Office of State Procurement strongly recommends meeting the following requirements: $0 - $5000 does not need to be advertised; $5,000 - $25,000 should be advertised in the *State Register* for a period of at least seven calendar days; $25,000 - $50,000 should be advertised in the *State Register* for a period of at least 14 calendar days; and anything above $50,000 should be advertised in the *State Register* for a minimum of at least 21 calendar days.

Non-State Public Bids, Contracts & Grants

The State Register also serves as a central marketplace for contracts let out on bid by the public sector. The *State Register* meets state and federal guidelines for statewide circulation of public notices. Any tax-supported institution or government jurisdiction may advertise contracts and requests for proposals from the private sector. It is recommended that contracts and RFPs include the following: 1) name of contact person; 2) institution name, address, and telephone number; 3) brief description of commodity, project or tasks; 4) cost estimate; and 5) final submission date of completed contract proposal. Allow at least three weeks from publication date (four weeks from the date article is submitted for publication). Surveys show that subscribers are interested in hearing about contracts for estimates as low as $1,000. Contact editor for further details.
