Competitive Public Radio Grants  
Project Description

**Complete one form for each proposed project.**

Project Name:

Project Start-End Dates:

Project Overview:

Describe below how this project will meet one or more of the desired outcomes from the *Legislative Guide* and how those outcomes will be measured:

- Arts, culture and history will be interwoven into every facet of community life.
- More Minnesotans of all ages, ethnicities, abilities and incomes will participate in the arts, culture and history.
- People will trust Minnesota's stewardship of public arts, culture and history funding.
- Arts, culture and history will thrive in Minnesota.
- More student exposure to professional performing arts, and the work of professional artists
- More K-12 students can affordably learn to read music and play a music instrument, participate in dance, choral, drama and other performing arts.
- Increased potential for visual and literary artists in Minnesota to earn income from their art.
- More locally and Minnesota focused content
- More local artists, historians, writers and other that have their work showcased through public broadcasting
- More knowledge and awareness of the way that history affects people's lives and how that knowledge can help people make informed decisions for the future
