Admin adopts MN Management & Budget (MMB) Statewide Operating Policy Number 0504-01, [Debt Collection Process and Actions](#). Admin has received information from MN Department of Revenue that the intent of [M.S. 16D](#) is to centralize the collection of debts owed to state agencies and not debts between state agencies. Therefore, Admin will not submit debt owed by state agencies. MMB's policy requires Admin to develop internal policies and procedures.

**Objective**

To establish and maintain internal policies and procedures for debt collection.

**Policy**

Divisions must follow Admin's [Debt Collection Process and Actions Procedures](#) (FMR-0504-01.1).
