## Application for Continued Authority to Practice as Advanced Practice Registered Nurse Due to Failure to Notify the Board of Advanced Practice Registered Nurse Recertification

If you are licensed as an advanced practice registered nurse in Minnesota, are practicing in Minnesota as an APRN, and you have not provided current certification as an APRN to the board, an *Application for Continued Authority to Practice* is the process by which authority to practice is regained. You must:

- Submit an *Application for Continued Authority to Practice as APRN Due to Failure to Notify the Board of Advanced Practice Registered Nurse Recertification* form. This form must be submitted in person or by mail.
- Submit a *Confirmation of Advanced Practice Registered Nurses Employment* form. This form may be mailed, emailed, or faxed to the Board directly from the employer or applicable person.
- Submit verification of current certification (Note: This must be sent directly from the certifying organization to the Minnesota Board of Nursing).
- Submit the penalty fee as applicable in the form of a money order or cashier's check.

When your complete application, verification of current certification, and the fee are received, authority to practice as an APRN will be reestablished. This may be verified on the APRN Licensure Summary Report located on the Minnesota Board of Nursing website.
