1. Call to Order / Roll Call – Public Session

The public session of the Board meeting was called to order at 10:35 a.m.

Board members present: Barbara Carlson, Marlae Cox-Kolek, Freddie Davis-English, Doug Frisk, Judi Gordon, Yvonne Hundshamer; Kristen Piper, Walter Roberts, Jr., Bob Schmillen, Marjorie Van Slyke, and Nona Wilson

Board members absent: Mary McGowan, Duane Reynolds

Staff members present: Kari Rehtzigel, Executive Director; Samantha Strehlo, LADC Licensing Coordinator; Carly Lykes, LPC/LPCC Licensing Coordinator

Others present: Hans Anderson, Assistant Attorney General; Tim Balke, St. Thomas University

2. Approval of January 25, 2013, Board Meeting Minutes

Barb Carlson moved to approve the minutes. Walter Roberts seconded. Chair Gordon called for a vote on the motion. All Board members present voted aye, there were no nays, and the motion to approve the minutes carried.

3. Staff Member Reports

A. Executive Director's Report (Kari Rehtzigel).

1. Ms. Rehtzigel provided Board members with a report of the Board's receipts and expenditures through March 2013. The Board is collecting sufficient revenue to cover expenditures and is operating with a surplus in funds. Receipts through March 2013 total \$656,067.60; costs total \$248,085.26; leaving a surplus of \$407,982.34. Samantha Strehlo noted that funds are encumbered for staffing costs and other costs, so the \$407,982.34 surplus will be reduced.

2. **Call for Input from Counselor Licensing Boards on Draft of the 2014 ACA Code of Ethics.** Ms. Rehtzigel provided Board members with a document from the American Association of State Counseling Boards requesting input from counselor licensing boards related to the American Counseling Association Code of Ethics 2014 draft. Discussion followed regarding whether to refer the matter to the Legislative Committee for review or if individual Board members want to volunteer to review the draft and provide input to the AASCB by May 30, 2013. An Ad Hoc Committee was established to review the draft. Kristen Piper, Walter Roberts, Nona Wilson, and Freddie Davis-English volunteered to serve on the committee. Kristen Piper was appointed as chair of the ad hoc committee.

3. **Request to Modify Licensing Requirements and Processes for Military Spouses and Veterans Returning from Active Duty.** Ms. Rehtzigel provided Board members with a copy of a letter she wrote to Lt. Governor Yvonne Pretzner Solon in response to the Lt. Governor's request for information and action related to the issue. Discussion followed regarding potential legislative changes the Board would need to make to create alternative licensure processes for veterans while still protecting the public. Judi Gordon suggested that without changing any laws, the Board could review applications from veterans or family members of veterans first before reviewing other pending applications. In other words, applications from veterans would be moved to the front of the queue in the application review process. Walter Roberts raised the issue of licensure portability between states, which is something all licensure boards will face in the near future. He recommended caution in responding to the request related to veterans. Doug Frisk noted that the Board's mission is to protect the public, and he is not in favor of giving any group special licensing criteria. Yvonne Hundshamer moved to refer the matter to the Board's Legislative Committee for study and possible creation of legislative language. Kristen Piper seconded. No vote was taken as the Board moved on to item 3.C.4 on the agenda (item taken out of order so licensee could participate in a discussion with the Board by a phone call scheduled for 11:00 AM).

C. LPC/LPCC Program

~~4. **Cynthia Goulding, MS, LPC (license #31 – expired) – Request to Address the Board on the issue of late fees required to renew license.** [Barb Carlson left the Board meeting at 10:55 a.m. before the discussion with Ms. Goulding.] Samantha Strehlo connected Ms. Goulding by speaker phone and Hans Anderson introduced himself as legal counsel for the Board. Ms. Goulding presented her request for waiver of late fees related to renewal of her license, contending that she did not receive notice of the renewal. Hans Anderson and Carly Lykes confirmed with Ms. Goulding the correctness of the mailing and public addresses Goulding provided to the Board in connection with her license. Mr. Anderson asked Ms. Goulding if she received email messages from the Board related to the statutory and rule requirements related to license renewal and fees. Ms.~~

Goulding confirmed that she did. Mr. Anderson thanked her and then concluded the call by informing Ms. Goulding she would receive the Board's decision in writing. Yvonne Hundshamer moved to deny Ms. Goulding's request for waiver of the late fees. Walter Roberts seconded. All Board members present (except Barb Carlson who left the meeting) voted to deny the request.

B. LADC Program Update (Samantha Strehlo)

1. **Licenses Issued Since Last Board Meeting.** Ms. Strehlo provided Board members with a list of persons licensed since the last board meeting on January 25, 2013. Sixty-three LADC licenses and 28 temporary permits were issued since the last board meeting. See Attachment 1 to these minutes.

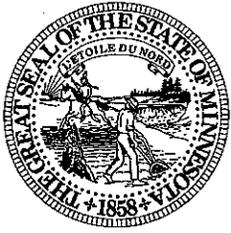

2. **Report on Program Operations.** Ms. Strehlo reported that 158 new applications for all license types were received since the last Board meeting. She further reported that she will be out on maternity leave this summer and will not be present for the July meeting. She also informed the Board that Ben Garbe left the Attorney General's Office for private practice, so we are happy to welcome Hans Anderson as our new legal counsel. Ms. Strehlo then briefly described the website migration the Board's website is undergoing. This process will be time consuming and require training and extra work for Board staff. Ms. Strehlo encouraged Board members to provide feedback on the look of the new website. Judi Gordon announced that Carly Lykes has been accepted at the Humphrey Institute of Public Policy and will be leaving her position with the Board in September. Chair Gordon also announced that Ms. Rechtzigel is traveling to the United Kingdom and Norway in between June 30 and July 16. Chair Gordon will also be leaving the country on July 9. The remaining Board staff members will have a challenging month of July in terms of making sure all regulatory functions are carried out.

C. LPC/LPCC Program Update (Carly Lykes).

1. **Licenses Issued Since Last Board Meeting.** Ms. Lykes provided Board members with a list of persons licensed since the last board meeting on January 25, 2013. Thirty-six LPCC licenses and 38 LPC licenses were issued since the last board meeting. See Attachment 1 to these minutes.

2. **Report on Program Operations.** Ms. Lykes reported that she has noticed a significant increase in the number of supervisor applications the Board is receiving. Ms. Lykes informed the Board that LPCCs are now applying to be licensure supervisors. Ms. Lykes recognized Board Communications Coordinator Julie Newkirk's contribution to the processing of applications.

3. Supervisor Designation. Ms. Lykes summarized a suggestion by Board member Nona Wilson related to a supervisor designation being added to the LPC or LPCC license credential for licensees who are also licensure supervisors. For example: LPC-S or LPCC-S. This may promote people to seek the supervisor endorsement, and it would make it clear to applicants and supervisees who the LPC and LPCC licensees are who also are approved licensure supervisors.

Ms. Lykes described the three types of supervisors the Board approves at the present time. The definitions in statute and rule were developed before the LPCC license was created. She explained that there is a Supervisor Lookup on the Board's website, and there is a key that explains who the supervisor may supervise (e.g. LPCs and LPCs converting to LPCC license; all LPCs and LPCCs; or LPCC applicants applying by the general application method). Because of the complexity of the issue, Ms. Lykes recommended that the matter be tabled until the Board's policy legislation is passed (see item 6.B. below). The Legislative Committee has already drafted language requiring all LPCC supervisors to meet the requirements in rule related to training hours and experience.

Ms. Lykes noted that at the present time most of BBHT's approved supervisors are licensed by other boards (Psychology, Social Work, Marriage and Family Therapy), and we cannot require them to use the supervisor designation in connection with their license. BBHT's supervisor approval letters clarify for supervisors the date they met the approval requirements and who they may supervise.

Kristen Piper suggested that persons licensed by BBHT who are seeking the supervisor designation could pay an additional \$100 to have the "S" designation added to their credential. This could be used as an advertising or marketing tool with respect to supervision. Ms. Piper recognized that this would require legislation to change our current law. Ms. Lykes noted that there is a \$30 fee for supervisor applications. If changes are made to the supervision fees and requirements, the Board's licensure/regulatory database will need to be changed. There is always a cost for database changes. Ms. Rechtzigel stated it may be a good time to pursue this idea once there is a single definition for an approved supervisor. Chair Gordon encouraged staff to suggest ideas for implementation.

~~Ms. Lykes acknowledged Tim Balke's attendance at the Board meeting and informed the Board she recently spoke to graduate students at St. Thomas. For the first time she utilized power point for the presentation instead of paper handouts.~~

6. Legislative Committee Report (Kari Rechtzigel, Judi Gordon, Samantha Strehlo)

A. LADC Legislation – Creation of working group to evaluate the feasibility of a tiered licensure system for alcohol and drug counselors – report due December 15, 2015; report on actions taken at first meeting on 4.12.13. Board members received a copy of the minutes from the first

working group meeting held on April 12, 2013. Chair Gordon stated that the group intends to move the date of completion of the report up to September of 2014 if possible. She noted that the group meets on the fourth Wednesday of every month at 10:00 a.m. A task list was created at the first meeting.

B. LPC/LPCC Legislation – Develop permanent conversion method to LPCC licensure; explore changes to supervision requirements – Committee Meeting on January 17, 2013; Draft language developed; Supervisor requirements clarified in Minn. Stat. section 148B.5301; Bill jacketed; Committee Administrator for House Health and Human Services Policy Committee advised that no action likely until 2014. Ms. Rechtzigel explained that the policy bill was tabled in 2013 because of the legislative workload for the session and the fact that the current statutory language the Board seeks to revise is effective until August 1, 2014.

C. HF 1233/SF 1034 – Omnibus Health and Human Services Finance Bills; Language for Criminal Background Checks included; both bills include the appropriations for the health-related licensing boards (change items from SF 1472 not included); House version includes language related to school-linked mental health services; Senate version includes language related to providers who treat parental depression and requirement for boards to provide certain education materials to these providers. Board members were provided with a portion of the text in HF 1233 and SF 1034. Ms. Rechtzigel summarized the content of both bills as they relate to the BBHT.

6. Variance Requests

A. Laura Sovinec, MA, LPC (LPCC Applicant). Ms. Sovinec requested a variance to Minn. R. 2150.5010, related to approving supervised practice hours with a non-approved supervisor. Marlae Cox-Kolek moved to approve the request. Nona Wilson seconded. Chair Gordon called for a vote on the motion. All Board members present voted aye, and the request was granted.

B. Judy Lee Squires, MS, LPC (LPCC Applicant). Ms. Squires requested a variance to Minn. R. 2150.5010, related to approving supervised practice hours with a non-approved supervisor. Yvonne Hundshamer moved to approve the request. Nona Wilson seconded. Chair Gordon called for a vote on the motion. All Board members present voted aye, and the request was granted.

C. Carol Torgerson, MEd, LPC (LPCC Applicant). Ms. Torgerson requested a variance to Minn. R. 2150.5010, related to approving supervised practice hours with a non-approved supervisor. Marlae Cox-Kolek moved to deny the request. Nona Wilson seconded. Discussion followed regarding the supervisor's qualifications and lack of clinical training. Chair Gordon called for a vote on the motion. All Board members present voted to deny the request, except for Doug

Frisk who voted against the denial. The variance request was denied. The Board members determined that the supervisor is a guidance counselor and lacks the clinical experience and training necessary to provide clinical supervision that meets the Minnesota LPCC licensure requirements.

7. Termination of LPC and LADC Licenses for Nonrenewal

Ms. Strehlo noted that the list also contains one request to rescind a termination because the LADC licensee did not get proper notice. The LPC list included Cynthia Goulding, with whom the Board had a telephone conference earlier in the Board meeting. Walter Roberts moved to remove Ms. Goulding's name from the termination list and approve the termination of the remaining licenses on the list of LPC and LADC licenses. Nona Wilson seconded. Chair Gordon called for a vote on the motion. All Board members present voted to approve the list of licenses to be terminated and to rescind a prior license termination. See Attachment 2 to these minutes for the licenses that were Board terminated.

8. Public Comment Period

Tim Balke asked if federal legislative language (senate bill) related to school-linked mental health counseling services is similar to the language in Minnesota's proposal. The American Counseling Association (ACA) website has "latest news" links on the website. Walter Roberts opined that many legislative initiatives have arisen in response to the events that occurred at Sandy Hook Elementary School. He referenced an article in *Education Week* related to state legislative responses to address issues related to Sandy Hook. Chair Gordon stated that she read a recent SAMHSA (Substance Abuse and Mental Health Services Administration) report on workforce issues related to both mental health and chemical dependency services which included commentary on demographics and pay issues.

9. Adjournment

~~Walter Roberts moved to adjourn the meeting. Yvonne Hundshamer seconded. All Board members present voted aye, there were no nays, and the public portion of the board meeting adjourned at 12:20 p.m.~~
