licenses and thirty-four (34) LPC licenses were issued since the last Board meeting. See Attachment 1 to these Minutes.

2. Report on Program Operations. Kristen Piper asked Ms. LaBrocca how many LPCC licensees have given up the license since LPCC licensure began. Staff responded that very few LPCC licenses have been terminated (24 voluntary terminations and 15 board terminations). Samantha Strehlo noted that even with all of the non-renewals that occur over time, the number of licensees continues to rise every year. Chair Gordon thanked Rebecca Lund for her ongoing review of LPCC application files.

4. Personnel Committee Report – Evaluation of Executive Director – Walter Roberts

Walter Roberts informed the Board that he is working to develop a form to evaluate the performance of the Executive Director. Criteria for evaluation will be those from the ED’s position description. The evaluation form will be given to all Board members and staff members. The process will include opportunities for positive feedback on tasks that are performed well and opportunities for constructive critique. Kristen Piper stated that “feedback is a gift.” Dr. Roberts informed the Board that members of the Personnel Committee met with Cindy Greenlaw Benton from the Administrative Services Unit (ASU) to ensure that the evaluation process meets legal standards. The Executive Director as the subject of the data gathered has access to all data provided, even the raw data if she requests to see it. Dr. Roberts stated he will summarize raw data and remove identifiers. He will provide a summary to the Executive Director and to members of the Personnel Committee. Chair Gordon stated that the purpose of the review is to evaluate how well tasks are performed.

5. Health Professional Services Program Report – Yvonne Hundshamer (Media Policy; Governance Planning Team Recommendation; Proposed Changes to Minnesota Statutes section 214.32)

Yvonne Hundshamer explained that HPSP is the monitoring service for Minnesota’s licensed health professionals who have an impairment. Participants in HPSP are able to maintain licensure and employment under monitoring plans. Licensees may refer themselves to HPSP or they can be referred by third parties or licensing boards. Board members were provided with HPSP’s Communications Policy, which was developed in response to news media reports. The policy provides a structure for how to respond to such inquiries. Chair Gordon recommended that the Policy and Rules Committee develop a similar policy for BBHT. Board members were also provided with documents from HPSP’s Governance Planning Team recommending changes to Minnesota Statutes section 214.32. Proposed changes to the statute include changing the structure of the HPSP Program Committee. Ms. Hundshamer reported that she met with Monica Feider from HPSP to voice her concern that changing the Committee structure may result in the Committee having no power to impact HPSP operations.

9. Public Comment Period

Dr. Tim Balke, University of St. Thomas, Director of MA and Certificate Programs, Graduate School of Professional Psychology, addressed the Board about his concerns related to the Council for Accreditation of Counseling and Related Educational Programs (CACREP) lobbying efforts to persuade state legislatures to amend state licensure laws to allow only graduates from CACREP-accredited programs to be eligible for licensure. Dr. Balke recommended that no one adopt a CACREP-only stance. He encouraged the Board to keep open the state regulations in Minnesota which allow non-CACREP programs to satisfy the requirements for education and training of professional counselors. Dr. Balke provided Board members with a letter outlining his position. Walter Roberts clarified that the Minnesota BBHT has never supported a CACREP-only position. Kristen Piper voiced her concerns about the National Board for Certified Counselors (NBCC) moving to a CACREP-only standard.
