Walter Roberts reported on the FARB seminar he and Ms. Rechtzigel attended October 1-4, 2015. He stated it was one of the best conferences he has attended as a Board member. Attendees included state board executive directors, board members, and attorneys representing licensing boards. A wide range of topics were included in the conference, including information on the *North Carolina State Board of Dental Examiners v. FTC* decision and implementation of a regulatory structure related to the legalization of cannabis in Washington, Oregon, and Colorado.

Walter Roberts also reported on the Association of Counselor Education and Supervision (ACES) conference he attended October 7-11, 2015. Licensure portability was a topic. Dr. Roberts also reported that CACREP and CORE (accrediting bodies for professional counselors and rehabilitation counselors) have merged (effective 2017). The goal of the merger is to streamline education and training between the two groups. Kristen Piper stated she is aware of an ACS certification (approved clinical supervisor certification issued by the Center for Credentialing and Education) and noted the requirements are similar to the BBHT's approved supervisor requirements. If a licensee has the ACS certification, it would provide automatic documentation of completion of 45 hours of training in clinical supervision.

Kari Rechtzigel and Patricia LaBrocca were presenters at the annual conference of the Minnesota Counseling Association (Topic: Q&A with the BBHT (Board of Behavioral Health & Therapy)), as was Rebecca Lund (Topic: Supervision, Licensure & NCMHCE: What You Probably Did Not Learn in Grad School).
