

**BEFORE THE MINNESOTA
BOARD OF DENTISTRY**

In the Matter of
Thomas M. Garvin, D.D.S.
License No. D9881

**STIPULATION AND ORDER
FOR CONDITIONAL LICENSE**

STIPULATION

Thomas M. Garvin, D.D.S. ("Licensee") and the Minnesota Board of Dentistry's Complaint Committee ("Committee") agree the above-referenced matter may be resolved without trial of any issue or fact as follows:

I.

JURISDICTION

1. The Minnesota Board of Dentistry ("Board") is authorized pursuant to Minnesota Statutes chapter 150A, section 214.10, and section 214.103 to license and regulate dentists and to take disciplinary action.

2. Licensee holds a license from the Board to practice dentistry in the State of Minnesota and is subject to the jurisdiction of the Board with respect to the matters referred to in this Stipulation and Order.

II.

CONFERENCE

3. On January 10, 2014, Licensee appeared before the Committee, composed of Board members Candace Mensing, D.D.S., Nancy Kearn, D.H., and Neal Benjamin, D.D.S., to discuss allegations made in a Notice of Conference dated December 10, 2013. Jennifer C. Middleton, Assistant Attorney General, represented the Committee at the conference.

4. Although Licensee was informed that he could be represented by legal counsel, Licensee has knowingly and voluntarily waived that opportunity.

III.

FACTS

5. The parties agree this Stipulation and Order is based upon the following facts:

Unprofessional Conduct and Inability to Practice with Reasonable Skill and Safety

a. Licensee has engaged in personal conduct which brings discredit to the profession of dentistry and may be unable to practice dentistry with reasonable skill and safety due to a physical, mental, emotional, or other disability, as follows:

1) On January 31, 2003, in Hennepin County District Court, State of Minnesota, Licensee pled guilty to the charge of 4th Degree DWI – Alcohol .10+ w/in 2Hrs Driving. Licensee was convicted of the misdemeanor offense.

2) On August 4, 2006, in Hennepin County District Court, State of Minnesota, Licensee pled guilty to the charge of 2nd Degree DWI – Alcohol. Licensee was convicted of the gross misdemeanor offense.

3) On October 26, 2010, in Carver County District Court, State of Minnesota, Licensee pled guilty to the charge of DWI – Operate Motor Vehicle Under Influence of Alcohol. On February 4, 2011, Licensee was convicted of the felony offense.

4) On January 9, 2014, Licensee contacted the Health Professionals Services Program (“HPSP”) as requested by the Board’s confidential referral letter based upon the aforementioned convictions.

Substandard Diagnostic and Prosthodontic Care

b. Licensee provided prosthodontic treatment that fell below the accepted standards in the practice of dentistry to patient 1 relative to the 5-unit bridge on teeth #18 to #22. Prior to initiating treatment, Licensee failed to provide a comprehensive diagnosis and treatment plan for the patient's existing bridge from tooth #18 to #21 that addressed the decay on tooth #21, and provided the patient with prosthodontic treatment that had a successful long-term prognosis.

Substandard Recordkeeping

c. Licensee failed to make or maintain an adequate patient record for patient 1. Licensee failed to properly transfer the patient's dental record, including radiographs, in a timely manner upon the patient's request.

Failure To Cooperate

d. Licensee failed to cooperate with the Board, its agents, or those working on behalf of the Board. In particular, Licensee failed to comply in a timely manner with the Board's request to furnish designated papers, documents, or tangible objects and/or provide in writing a full and complete explanation regarding the following: the complaint that was filed against him; the Informational Conference letter requesting certain information; and the professional development audit by the Board for the cycle period February 1, 2010, to January 31, 2012.

IV.

LAWS

6. Licensee acknowledges the conduct described in section III. above constitutes a violation of Minnesota Statutes section 150A.08, subdivisions 1(3), (4), (6), (8), and (13),

Minnesota Rules 3100.6200 A, 3100.6200 B, 3100.6200 J, 3100.6350, and 3100.9600, and justifies the disciplinary action described in section V. below.

V.

DISCIPLINARY ACTION

The parties agree the Board may take the following disciplinary action and require compliance with the following terms:

CONDITIONS

7. The Board places the following **CONDITIONS** on Licensee's license:

a. Participation in HPSP.

1) Within 14 days after the effective date of this Order, Licensee shall enroll in HPSP in the State of Minnesota for monitoring of his chemical dependency recovery. Licensee shall provide HPSP with a copy of this Stipulation and Order at the time of enrollment. Licensee must return the signed Participation Agreement to HPSP within 14 days of receiving the Participation Agreement from HPSP. Failure to meet either of these deadlines will be considered a violation of this Order.

2) Licensee shall be monitored by HPSP until HPSP determines Licensee is qualified to practice without conditions.

3) Licensee shall comply with all provisions of his HPSP Participation Agreement, including revisions subsequent to this Order. Licensee's failure to comply with his HPSP Participation Agreement shall be considered a violation of this Order.

4) Licensee shall totally abstain from ingesting, injecting, or otherwise taking or using any mood-altering chemical or drug, including, but not limited to alcohol. This prohibition does not apply to legend drugs, including controlled substances,

which are prescribed for Licensee by a licensed physician or dentist as part of a course of treatment.

b. Coursework. Licensee shall successfully complete the coursework described below. **All coursework must be approved in advance by the Committee.** Licensee is responsible for locating, registering for, and paying for all coursework taken pursuant to this stipulation and order. None of the coursework taken pursuant to this stipulation and order may be used by Licensee to satisfy any of the continuing dental education/professional development requirements of Minnesota Rules 3100.5100, subpart 2. The coursework is as follows:

1) Prosthodontics. Within nine months of the effective date of this Order, Licensee shall personally attend and successfully complete a minimum of two full-days of instruction in fixed and removable prosthodontics through the University of Minnesota School of Dentistry, or another accredited dental institution. The prosthodontic course shall focus on diagnosis and treatment planning for crowns and bridges, implants, and dentures.

2) Treatment Planning / Recordkeeping. Within nine months of the effective date of this Order, Licensee shall personally attend and successfully complete the recordkeeping / treatment planning course entitled “Essentials of Recordkeeping and Principles of Treatment Planning” offered at the University of Minnesota School of Dentistry or a course deemed equivalent by the Committee.

c. Coursework Reports. Within 30 days after completing each of the courses listed above, Licensee shall submit to the Committee:

- 1) proof of Licensee’s attendance and completion of the course;
- 2) copies of all materials used and/or distributed in the courses; and

3) a summary report of what Licensee learned in the course and specific information addressing how Licensee will incorporate this recently gained knowledge into Licensee's practice.

4) Licensee's reports shall be typewritten in Licensee's own words, double-spaced, at least two pages in length but no more than three pages, and shall list references used to prepare the report.

5) All coursework reports submitted by Licensee are subject to review and approval by the Committee.

d. Recordkeeping Inspection. At a later date, the Board's representative shall instruct Licensee to submit to the Committee copies of original records of three (3) randomly selected patients, including radiographs, which illustrate what Licensee has learned in the treatment planning/recordkeeping course. The Committee shall review the patient records focusing on Licensee's recordkeeping practices. Additional requests for patient records shall be at the discretion of the Committee.

Removal of Conditions

8. Licensee may petition to have the conditions removed from Licensee's license at any regularly scheduled Board meeting no sooner than one year after the effective date of this Stipulation and Order provided that Licensee's petition is received by the Board at least 30 days prior to the Board meeting. Licensee shall have the burden of proving that Licensee has complied with the conditions and that Licensee is qualified to practice dentistry without conditions. Licensee's compliance with the foregoing requirements shall not create a presumption that the conditions should be removed. Upon consideration of the evidence

submitted by Licensee or obtained through Board investigation, the Board may remove, amend, or continue the conditions imposed by this Stipulation and Order.

VI.

CONSEQUENCES FOR NONCOMPLIANCE OR ADDITIONAL VIOLATIONS

9. Licensee shall comply with the laws or rules of the Board of Dentistry. Licensee agrees that failure to comply with the Board's laws or rules shall be a violation of this Stipulation and Order.

10. In Licensee's practice of dentistry, Licensee shall comply with the most current infection control requirements of Minnesota Rules 3100.6300 and 6950.1000 to 6950.1080, and with the Centers for Disease Control and Prevention, Public Health Service, and the United States Department of Health and Human Services.

11. Licensee shall fully and promptly cooperate with the Board's reasonable requests concerning compliance with this Stipulation and Order, including requests for explanations, documents, office inspections, or appearances at conferences. Minnesota Rules 3100.6350 shall be applicable to such requests.

12. It is Licensee's responsibility to ensure all payments, reports, evaluations, and documentation required to be filed with the Board pursuant to this Stipulation and Order are timely filed by those preparing the payment, report, evaluation, or documentation. Failure to file payments, reports, evaluations, and documentation on or before their due date is a violation of this Stipulation and Order.

Imposition of Fine

13. If information or a report required by this Stipulation and Order is not submitted to the Board by the due date, or if Licensee otherwise violates this Stipulation and Order, the

Committee may fine Licensee \$100 per late report or other violation. Licensee shall pay the fine and correct the violation within five days after service on Licensee of a demand for payment and correction. If Licensee fails to do so, the Committee may impose additional fines not to exceed \$500 per violation. The total of all fines may not exceed \$5,000. Licensee waives the right to seek review of the imposition of these fines under the Administrative Procedure Act, by writ of certiorari under Minnesota Statutes section 480A.06, by application to the Board, or otherwise. Neither the imposition of fines nor correction of the violation will deprive the Board of the right to impose additional discipline based on the violation.

Noncompliance or Violation With Stipulation and Order

14. If Licensee fails to comply with or violates this Stipulation and Order or it is determined Licensee has further violated Minnesota Statutes chapter 150A or Minnesota Rules chapter 3100, the Committee may, in its discretion, seek additional discipline either by initiating a contested case proceeding pursuant to Minnesota Statutes chapter 14 or by bringing the matter directly to the Board pursuant to the following procedure:

a. The Committee shall schedule a hearing before the Board. At least ten days prior to the hearing, the Committee shall mail Licensee a notice of the violation(s) alleged by the Committee. In addition, the notice shall designate the time and place of the hearing. Within seven days after the notice is mailed, Licensee shall submit a written response to the allegations. If Licensee does not submit a timely response to the Board, the allegations may be deemed admitted.

b. The Committee, in its discretion, may schedule a conference with the Licensee prior to the hearing before the Board to discuss the allegations and to attempt to resolve the allegations through the procedures of Minnesota Statutes section 214.103, subdivision 6.

c. Prior to the hearing before the Board, the Committee and Licensee may submit affidavits and written argument in support of their positions. At the hearing, the Committee and Licensee may present oral argument. Argument shall not refer to matters outside the record. The evidentiary record shall be limited to the affidavits submitted prior to the hearing and this Stipulation and Order. The Committee shall have the burden of proving by a preponderance of the evidence that a violation has occurred. If Licensee has failed to submit a timely response to the allegations, Licensee may not contest the allegations, but may present argument concerning the appropriateness of additional discipline. Licensee waives a hearing before an administrative law judge, discovery, cross-examination of adverse witnesses, and other procedures governing hearings pursuant to Minnesota Statutes chapter 14.

d. Licensee's correction of a violation prior to the conference, hearing or meeting of the Board may be taken into account by the Board but shall not limit the Board's authority to impose discipline for the violation. A decision by the Committee not to seek discipline when it first learns of a violation will not waive the Committee's right to later seek discipline for that violation, either alone or in combination with other violations, at any time while this order is in effect.

e. Following the hearing, the Board will deliberate confidentially. If the allegations are not proved, the Board will dismiss the allegations. If a violation is proved, the Board may impose additional discipline, including additional conditions or limitations on Licensee's practice, suspension, or revocation of Licensee's license.

f. Nothing herein shall limit the Committee's or the Board's right to temporarily suspend Licensee's license pursuant to Minnesota Statutes section 150A.08,

subdivision 8, based on a violation of this Stipulation and Order or based on conduct of Licensee not specifically referred to herein.

VII.

ADDITIONAL INFORMATION

15. Within ten days of execution of this Stipulation and Order, Licensee shall provide the Board with the names of all states in which Licensee is licensed to practice as a dental professional or holds any other professional or occupational license or registration.

16. If while residing or practicing in Minnesota, Licensee should become employed at any other dental clinic or facility or move, Licensee shall notify the Board in writing of the new address and telephone number within ten days.

17. In the event Licensee should leave Minnesota to reside or to practice outside of the state, Licensee shall notify the Board in writing of the new address and telephone number within ten days. Periods of residency or practice outside of Minnesota will not apply to the reduction of any period of Licensee's discipline in Minnesota unless Licensee demonstrates that practice in another state conforms completely to this Stipulation and Order. If Licensee leaves the state, the terms of this order continue to apply unless waived in writing.

18. Licensee waives the contested case hearing and all other procedures before the Board to which Licensee may be entitled under the Minnesota and United States constitutions, statutes, or rules.

19. Licensee waives any claims against the Board, the Minnesota Attorney General, the State of Minnesota, and their agents, employees, and representatives related to the investigation of the conduct herein, or the negotiation or execution of this Stipulation and Order, which may otherwise be available to Licensee.

20. This Stipulation and Order, the files, records, and proceedings associated with this matter shall constitute the entire record and may be reviewed by the Board in its consideration of this matter.

21. Either party may seek enforcement of this Stipulation and Order in any appropriate civil court.

22. Licensee has read, understands, and agrees to this Stipulation and Order and has voluntarily signed this Stipulation and Order. Licensee is aware this Stipulation and Order must be approved by the Board before it goes into effect. The Board may approve the Stipulation and Order as proposed, approve it subject to specified change, or reject it. If the changes are acceptable to Licensee, the Stipulation and Order will take effect and the order as modified will be issued. If the changes are unacceptable to Licensee or the Board rejects the Stipulation and Order, it will be of no effect except as specified in the following paragraph.

23. Licensee agrees that if the Board rejects this Stipulation and Order or a lesser remedy than indicated in this settlement, and this case comes again before the Board, Licensee will assert no claim that the Board was prejudiced by its review and discussion of this Stipulation and Order or of any records relating to it.

24. This Stipulation and Order shall not limit the Board's authority to proceed against Licensee by initiating a contested case hearing or by other appropriate means on the basis of any act, conduct, or admission of Licensee which constitutes grounds for disciplinary action and which is not directly related to the specific facts and circumstances set forth in this document.

VIII.

DATA PRACTICES NOTICES

25. This Stipulation and Order constitutes disciplinary action by the Board and is classified as public data pursuant to Minnesota Statutes section 13.41, subdivision 5. Data regarding this action will be provided to data banks as required by Federal law or consistent with Board policy. While this Stipulation and Order is in effect, information obtained by the Board pursuant to this Order is considered active investigative data on a licensed health professional, and as such, is classified as confidential data pursuant to Minnesota Statutes section 13.41, subdivision 4.

26. This Stipulation contains the entire agreement between the parties, there being no other agreement of any kind, verbal or otherwise, which varies this Stipulation.
