B. LADC Program Update (Samantha Strehlo)

1. **Licenses Issued Since Last Board Meeting.** Ms. Strehlo provided Board members with a list of persons licensed since the last board meeting on October 25, 2013. Forty-nine LADC licenses and 25 temporary permits were issued since the last board meeting. See Attachment 1 to these minutes.

2. **Report on Program Operations.** Ms. Strehlo prepared a statistical report of Board activities for calendar year 2013 and summarized the contents for Board members. Items include the number of license renewals processed, number of online renewals compared to paper renewals, number of applications received, number of licenses issued, number of complaints received and categories of complaints received, number of complaints closed, and number of disciplinary actions taken. [Valerie Fitzgerald arrived at 10:30 a.m.] Judi Gordon thanked the Complaint Resolution Committee members for their work. Yvonne Hundshamer commented that the report is very informative and helpful, creates transparency for the Board, and establishes institutional memory.

C. LPC/LPCC Program Update (Patricia LaBrocca).

1. **Licenses Issued Since Last Board Meeting.** Ms. LaBrocca provided Board members with a list of persons licensed since the last board meeting on October 25, 2013. Fifty-one LPCC licenses and 43 LPC licenses were issued since the last board meeting. See Attachment 1 to these minutes.

2. **Report on Program Operations.** Ms. LaBrocca reported that the number of LPCC conversion applications is increasing as the August 1, 2014 deadline approaches, at which time the current conversion method in statute will change. Ms. LaBrocca stated she appreciates any time Application and Licensure Committee members can come to the Board office to review and approve applications. Ms. Rehtzigel gave a brief summary of the proposed LPCC conversion method legislation and explained it will add an exam requirement (NCMHCE), documentation of direct clinical contact hours with clients, and requirements for licensure supervisors (all must meet the approved supervisor requirements in both statute and rule). Fitzgerald and Pete Boudjouk from the Minnesota Counseling Association stated that MnCA supports the Board's proposed legislation related to a permanent conversion method to LPCC licensure.

4. Variance Requests

A. Mary Mullaney Schnell, PhD, LP. Dr. Schnell requested a variance to Minn. R. 2150.5010, related to requirements for approval of licensure supervisors. Marlae Cox-Kolek moved to approve the request for a single instance of supervision for one supervisee. Duane Reynolds seconded. Following discussion related to hardship for supervisees in K-12 settings, Chair Gordon called for a vote on the motion. Chair Gordon did not cast a vote. Kristen Piper, Barb Carlson, and Yvonne Hundshamer voted to deny the request. All other Board members present voted to approve the request, and the request was granted. Dr. Schnell was approved for a single instance of LPC/LPCC supervision for Anne Erickson.

5. Tiered Licensure Working Group Report (Judi Gordon, Kari Rechtzigel, Samantha Strehlo)

The Board was informed that Bonnie Freeland, long time Administrator of the Minnesota Certification Board (MCB), passed away on January 21, 2014. The MCB is one of the testing entities for the examination required for LADC licensure. Chair Gordon then went on to report on the activities of the two subgroups of the working group that were created to study and develop proposed licensure tiers and scopes of practice and to research peer specialists and recovery coaches. The subgroup working on proposed licensure tiers and scopes of practice met on January 22, 2014, and will continue to meet until draft language is developed. Ms. Strehlo noted that the subgroup's work will provide a starting point for discussion and should focus on developing minimum standards of practice that will protect the public. Duane Reynolds commented that other issues the working group is considering include the shortage of providers in outstate Minnesota and the shortage of counselors with cultural diversity competencies. Creating a master's level of practice will not necessarily provide more providers. Judi Gordon added that the working group is looking at a career ladder to enable persons to enter the field and continue up the ladder as they gain further education and experience. Ms. Strehlo noted that the Department of Human Services is focused on the development of a credential that will allow LADCs to independently bill for services. Tim Balke from the University of St. Thomas commented that St. Thomas has an interest in adding chemical dependency coursework to their curriculum.

6. Termination of LPC/LPCC and LADC Licenses for Nonrenewal

Yvonne Hundshamer moved to approve the termination of the LPC and LADC licenses on the list prepared by the Board staff. Kristen Piper seconded. Chair Gordon called for a vote on the motion. All Board members present voted to approve the list of licenses to be terminated. See Attachment 2 to these minutes for the licenses that were Board terminated.

7. Public Comment Period

Tim Balke from the University of St. Thomas asked what percentages of persons with the LADC license have at least a bachelor's degree. Samantha Strehlo responded that the Board's licensure and regulatory database cannot generate that information.

Marlae Cox-Kolek moved to adjourn the meeting. Duane Reynolds seconded. All Board members present voted aye, there were no nays, and the public portion of the Board meeting adjourned at 11:30 a.m.
