

**BEFORE THE MINNESOTA
BOARD OF PHYSICAL THERAPY**

In the Matter of
of Nancy Oelschlager, P.T.
Year of Birth: 1955
License Number: 1711

STIPULATION AND ORDER

IT IS HEREBY STIPULATED AND AGREED, by and between Nancy Oelschlager, P.T. ("Licensee"), and the Complaint Review Committee ("Committee") of the Minnesota Board of Physical Therapy ("Board") as follows:

1. Pursuant to Minn. Stat. §§ 148.65 through 148.78 and 214.103, the Board has the authority to license and regulate physical therapists and physical therapist assistants.
2. Licensee holds a license from the Board and is subject to the Board's jurisdiction.
3. Although advised by the Board of the option to be represented by legal counsel, Licensee has elected to forgo legal representation. The Committee was represented by Bryan D. Huffman, Assistant Attorney General, 445 Minnesota Street, Suite 1400, St. Paul, Minnesota 55101-2131, telephone (651) 757-1439.

FACTS

4. On August 7, 2014, the Board adopted a Stipulation and Consent Oder ("2014 Stipulation and Order") conditioning and limiting Licensee's license. In part, the 2014 Stipulation and Order required Licensee to be monitored by the Health Professionals Services Program ("HPSP").
5. On November 7, 2014, Licensee informed Board that she wished to surrender license as a physical therapist.

STATUTES

6. The Committee views Licensee's practices as inappropriate in such a way as to require Board action under Minn. Stat. § 148.75(a)(2) (2012). Licensee agrees that the conduct cited above constitutes a reasonable basis in law and fact to justify the disciplinary action under these statutes.

REMEDY

7. The Board accepts the **VOLUNTARY SURRENDER** of Licensee's license and the 2014 Stipulation and Order is hereby rescinded.

8. Licensee may not practice, attempt to practice, offer to practice, or advise or hold himself or herself out as authorized to work as a physical therapist in the State of Minnesota and may not use the title of physical therapist or any other designation which indicates authority to work as a physical therapist.

9. Licensee may apply for relicensure at such time as he or she can demonstrate that he or she is fit and competent to practice as a physical therapist. Licensee's application may be granted, if at all, as the evidence dictates and based upon the need to protect the public. The burden of proof falls upon Licensee to demonstrate by a preponderance of the evidence that he or she is capable of conducting himself or herself in a fit and competent manner in the practice of physical therapy.

10. At the time of Licensee's application, he or she must provide written documentation from any treatment provider he or she is seeing at the time of her application regarding whether Licensee is fit to practice physical therapy and whether any limitations on his or her practice are recommended.

11. At the time of Licensee's application, Licensee may be required to meet with a Complaint Review Committee to evaluate Licensee's application and any accompanying evidence. The Committee may recommend that the Board deny Licensee's application or grant Licensee's application with or without limitations and/or conditions. Conditions may include, but are not limited to compliance with the conditions and limits set forth in the 2014 Stipulation and Consent. The Board will have the final decision regarding Licensee's application.

12. Licensee is responsible for all costs incurred as a result of compliance with this Stipulation and Order.

13. In the event Licensee resides or practices outside the State of Minnesota, Licensee must promptly notify the Board in writing of all work sites and residences. Periods of residency or practice outside of Minnesota will not be credited toward any period of Licensee's suspended, limited, or conditioned license in Minnesota unless Licensee demonstrates that practice in another state conforms completely with Licensee's Minnesota license to practice physical therapy.

14. If Licensee fails, neglects, or refuses to fully comply with each of the terms, provisions, and conditions herein, the Committee may schedule a hearing before the Board. The Committee must mail Licensee a notice of the violation alleged by the Committee and of the time and place of the hearing. Licensee must submit a response to the allegations at least three days prior to the hearing. If Licensee does not submit a timely response to the Board, the allegations may be deemed admitted.

At the hearing before the Board, the Committee and Licensee may submit affidavits made on personal knowledge and argument based on the record in support of their positions. The evidentiary record before the Board must be limited to such affidavits and this Stipulation and

Order. Licensee waives a hearing before an administrative law judge and waives discovery, cross-examination of adverse witnesses, and other procedures governing administrative hearings or civil trials.

At the hearing, the Board will determine whether to impose additional disciplinary action, including additional conditions or limitations on Licensee's practice, or suspension or revocation of Licensee's license.

15. In the event the Board in its discretion does not approve this settlement, this stipulation is withdrawn and will be of no evidentiary value and may not be relied upon nor introduced in any disciplinary action by either party hereto except that Licensee agrees that should the Board reject this stipulation and if this case proceeds to hearing, Licensee will assert no claim that the Board was prejudiced by its review and discussion of this stipulation or of any records relating hereto.

16. Licensee waives any further hearings on this matter before the Board to which Licensee may be entitled by Minnesota or United States constitutions, statutes, or rules and agrees that the order to be entered pursuant to the stipulation shall be the final order herein.

17. Licensee has hereby read and understands this stipulation and has voluntarily entered into the stipulation without threat or promise by the Board or any of its members, employees, or agents. This stipulation contains the entire agreement between the parties, there being no other agreement of any kind, verbal or otherwise, which varies the terms of this stipulation.
