

**BEFORE THE MINNESOTA  
BOARD OF VETERINARY MEDICINE**

In the Matter of  
Charles F. Woodward, D.V.M.  
License No. 02577

**STIPULATION AND ORDER**

**STIPULATION**

Charles F. Woodward, D.V.M. ("Licensee"), and the Minnesota Board of Veterinary Medicine Complaint Review Committee ("Complaint Review Committee") agree that the above-referenced matter may be resolved without trial of any issue or fact as follows:

**I.**

**JURISDICTION**

A. The Minnesota Board of Veterinary Medicine ("Board") is authorized pursuant to Minnesota Statutes chapter 156 to license and regulate veterinarians and to take disciplinary action as appropriate.

B. Licensee holds a license from the Board to practice veterinary medicine in the State of Minnesota and is subject to the jurisdiction of the Board with respect to the matters referred to in this Stipulation and Order.

**II.**

**COMPLAINT REVIEW COMMITTEE**

A. The Complaint Review Committee that negotiated this Stipulation with Licensee is composed of Lorna Reichl, D.V.M., Board Vice President, Joanne Schulman, D.V.M., Board President, and John King, D.V.M., Executive Director of the Board. Susan E. Damon, Assistant Attorney General, represented the Complaint Review Committee in this matter. Licensee was

advised of his right to be represented by legal counsel and knowingly and voluntarily waived that right.

### **III.**

#### **FACTS**

A. For purposes of Board of Veterinary Medicine proceedings only and without prejudice to Licensee in a proceeding in any other forum, the Board may consider the following as true:

1. Licensee was initially licensed to practice veterinary medicine in Minnesota on June 7, 1977.

2. Licensee has been licensed to practice veterinary medicine in the State of Wisconsin since June 17, 1977.

3. Licensee obtained a license to practice veterinary medicine in the State of Iowa on October 13, 1997.

4. On November 30, 2000, the Iowa Board of Veterinary Medicine (“Iowa Board”) issued a statement of charges against Licensee alleging that on numerous occasions from January of 1999 to March of 2000, Licensee prescribed veterinary prescription products to five clients without establishing a veterinarian-client-patient relationship in violation of Iowa Code § 169.13(3) and 811 IAC 10.6(8) and (9) and 12.1.

5. On April 26, 2001, the Iowa Board issued a Settlement Agreement and Final Order, resolving the allegations set forth in the November 30, 2000 Statement of Charges. Licensee states that he entered into the Settlement Agreement with the Iowa Board due to business considerations. Under the Settlement Agreement and Final Order, Licensee’s Iowa license was suspended for six months, and he was placed on probationary status following

reinstatement. A true and correct copy of the April 26, 2001 Settlement Agreement and Final Order is attached hereto as Exhibit A.

6. Licensee allowed his Iowa license to expire on June 30, 2002 due to lack of business in that state.

7. Licensee did not report the Iowa disciplinary action to the Minnesota Board until February 27, 2005, when he disclosed the action in response to a question on the Board's renewal application.

8. On October 22, 2001, the United States Department of Health and Human Services, Food and Drug Administration, issued a warning letter to Licensee citing his failure to provide the appropriate meat and milk withholding information on the label of Banamine, a prescription drug intended for extra label use, as a violation of 21 CFR 530. The animal receiving the Banamine was ultimately slaughtered and flunixin meglumine residues were found in the meat intended for human food. Licensee corrected the labeling to meet legal requirements. Licensee states that the mislabeling of Banamine resulting in the FDA warning letter was an unintentional clerical error.

9. On February 23, 2005, the State of Wisconsin, Veterinary Examining Board ("Wisconsin Board") issued a Final Decision and Order in a proceeding against Licensee. The proceeding was based on the April 26, 2001 Iowa Board action and on Licensee's record keeping, which consisted only of a prescription, drug order form and the general records kept by farm employees and did not comply with the requirements of Wisconsin Admin. Code § VE 7.03. Under the February 23, 2005 Final Decision and Order, Licensee's Wisconsin license was limited and he was prohibited from prescribing, dispensing, selling or otherwise distributing any

prescription drug for animal use. A true and correct copy of the February 23, 2005 Final Decision and Order is attached hereto as Exhibit B.

10. Licensee has written prescriptions for a Minnesota clients without maintaining veterinary medical records that conform to the requirements of Minn. Stat. ch. 156 and Minn. R. ch. 9100.

#### **IV.**

#### **LAWS**

A. Licensee acknowledges that the facts and conduct described in section III above constitute violations of Minn. Stat. §§ 156.081, subd. 2(5), (11) and (12); 156.16, subd. 12; 156.19; and Minn. R. 9100.0700, subp. 1.A., .B., .C, and .X; 9100.0800, subps. 1, 2.A and .B, and 4 and are sufficient grounds for the remedy described in section V below.

2. The following limitations and requirements apply to Licensee's practice of veterinary medicine in the State of Minnesota:

b. Until further order of the Board issued pursuant to section VII.A herein, Licensee shall not prescribe, dispense, sell or otherwise distribute any prescription drug for animal use. Licensee may personally administer prescription drugs directly to the animal patient. In the event Licensee believes the animal's condition requires further treatment by the client or the client's designee with a prescription drug, Licensee shall so advise the client and suggest referral to another veterinarian.

c. If Licensee administers a drug for extra-label use, he shall comply with all requirements set forth in Minn. Stat. § 156.19.

3. Licensee shall sign any authorizations requested by the Committee to enable the Committee to obtain information and documentation from the Wisconsin Board regarding Licensee's compliance with paragraphs 3 and 4 of the Wisconsin Board's February 23, 2005 Final Decision and Order or the results of an audit of Licensee's medical records under paragraph 5 of the order.

### **CONSEQUENCES OF A VIOLATION**

A. *Hearing Before the Board/Temporary Suspension.* Subject to the limitations set forth in paragraph VI.C below, if the Committee determines that Licensee has violated any term or condition of this Stipulation and Order, the Committee may schedule a hearing before the Board and serve on Licensee a Notice of Hearing for Alleged Non-Compliance with Stipulation

and Order (“Notice”), which sets forth the allegations against Licensee and provides Licensee notice of the date, time and place of the hearing before the Board. The procedures set forth in paragraph VI.B below shall apply to the hearing. The Committee may, in its discretion, prior to the hearing, temporarily suspend Licensee’s license based on its determination that Licensee has violated this Stipulation and Order. A temporary suspension shall become effective upon service on Licensee of a written notice of temporary suspension. If the Committee temporarily suspends Licensee’s license, the hearing shall be held no later than 30 days after the date the written notice of temporary suspension is mailed to Licensee, unless the Committee and Licensee agree to hold the hearing at a later time.

B. *Hearing Procedures.* The following procedures shall apply:

1. *Response to Allegations in Notice.* At least seven days before the hearing, Licensee shall submit a written response to the allegations set forth in the Notice. If Licensee does not submit a timely response to the Board, the allegations may be deemed admitted.

Stat. § 156.127.

3. *Evidence at Hearing/Burden of Proof/Waiver of Hearing Before Administrative Law Judge.* At the hearing before the Board, the Committee and Licensee may present affidavits made on personal knowledge; affidavits of experts; authenticated documents; records of any licensing Board; and may present argument based on such evidence in support of their positions. The record before the Board shall be limited to such affidavits, documents and

this Stipulation and Order. The Committee shall file with the Board all evidence it intends to present at the hearing and shall serve a copy on Licensee at least 14 days before the hearing. Licensee shall file with the Board all evidence he intends to present at the hearing and shall serve a copy on the Committee at least seven days before the hearing. The Committee must prove by a preponderance of the evidence that Licensee has violated this Stipulation and Order. The Board shall issue a final order within 30 days of the hearing. Licensee waives a hearing before an administrative law judge and waives discovery, cross-examination of adverse witnesses, and other procedures governing administrative hearings or civil trials.

4. *Costs.* If the Committee proves by a preponderance of the evidence that Licensee has violated this Stipulation and Order, the Board may require Licensee to pay costs of the proceedings. The costs of the proceedings may include the cost paid by the Board to the Office of the Attorney General for investigative and legal services, the cost of reproducing records and documents, Board staff time, travel costs and expenses, and Board members' per diem reimbursements, travel costs and expenses.

C. *Requirement of Conference Before Initiating Summary Proceeding.* The Complaint Review Committee may not initiate a summary proceeding under paragraph VI.A unless it first has mailed Licensee a notice of conference that contains all allegations of violations of this Stipulation and Order that are alleged in the summary proceeding, and has provided Licensee an opportunity to respond in writing to the allegations and to appear at a conference with the Complaint Review Committee to discuss and to attempt to resolve the allegations. The Complaint Review Committee may initiate a summary proceeding if Licensee fails to respond in writing to the allegations or fails to appear at the conference after a notice of conference has been mailed to Licensee at Licensee's last known address on file with the Board.

D. *Statutory Procedures.* Nothing herein shall limit the Committee's right to attempt to resolve an alleged violation of this Stipulation and Order through the procedures of Minn. Stat. § 214.103, subd. 6 or to initiate a contested case proceeding under Minn. Stat. ch. 14 based on an alleged violation of this Stipulation and Order.

## VII.

### **PETITION FOR REMOVAL OF LIMITATION, UNCONDITIONAL LICENSE**

A. Licensee may petition the Board to issue an order to remove the limitation on Licensee's license that prohibits him from prescribing, dispensing, selling or distributing any prescription drug for animal use at any regularly scheduled Board meeting following removal of this limitation on Licensee's Wisconsin license. At the time of his petition, Licensee shall have the burden of proving that he has fully complied with this Stipulation and Order and that he is able to practice veterinary medicine safely and in compliance with all statutes and rules governing the profession without being subject to this limitation, including, but not limited to Minn. Stat. §§ 156.18 and 156.19. Before it makes a recommendation to the Board on Licensee's petition, the Committee, in its discretion, may schedule a conference with Licensee to discuss Licensee's petition and related matters.

PROCEDURAL HISTORY

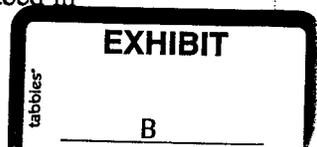

A formal complaint has been filed in this matter and a disciplinary hearing scheduled.

The parties in this matter, Charles F. Woodward, D.V.M., Respondent, and Pamela M. Stach, Attorney for the Department of Regulation and Licensing, agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Veterinary Examining Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. That Charles F. Woodward, D.V.M., Respondent herein, (d/o/b/ April 3, 1949) of 620 Oak Ave. North, Onalaska, WI 54650, is duly licensed to practice veterinary medicine in the State of Wisconsin under license number 1748 which was granted on June 17, 1977.
2. That Respondent is licensed to practice veterinary medicine in the State of Iowa under license number 6546. Respondent did not renew his license in Iowa due to lack of business opportunities and the license is currently inactive.
3. That on April 26, 2001, the Iowa Board of Veterinary Medicine suspended the license of Respondent to practice veterinary medicine in that state for a period of six months, effective April 26, 2001 to October 26, 2001. Upon termination of the suspension, Respondent's license was placed in

probationary status for a period of five years requiring him to prescribe drugs and immunization products only when a valid veterinarian/client/patient relationship exists and to requiring him to comply with Iowa Administrative Code provisions regulating the extra label use of veterinary drugs and immunization products. Respondent further was required to submit to random unannounced visits to his place of employment to determine compliance with the Order requirements. A copy of the Iowa Order is attached as Exhibit A and is incorporated herein.

4. On October 22, 2001, The United State Department of Health and Human Services, Food and Drug Administration issued a warning letter to Respondent citing his failure to provide the appropriate meat and milk withholding information on the label of Banamine, a prescription drug intended for extra label use, as a violation of 21 CFR 530. The animal receiving the Banamine was ultimately slaughtered and flunixin meglumine residues were found in the meat intended for human food. Respondent corrected the labeling to meet legal requirements and subsequently received notification from the USDA noting reinspection and compliance achieved.

5. Respondent currently practices in Wisconsin as a nutritional and feed consultant in addition to his general veterinary practice.

6. Respondent's records for his clients and animal patients consist of a prescription, drug order form and the general records kept by farm employees in the treatment of their animals. Respondent does not maintain records which comply with the requirements of Wis. Admin. Code sec. VE 7.03.

7. Respondent has cooperated during the course of this investigation and voluntarily agrees to entry of the Order contained herein.

#### CONCLUSIONS OF LAW

1. The Wisconsin Veterinary Examining Board has jurisdiction in this proceeding pursuant to Wis. Stats. sec. 453.04.

2. The Wisconsin Veterinary Examining Board has the authority to resolve this matter by stipulation without an evidentiary hearing pursuant to Wis. Stats. sec. 227.44(5).

3. That having one's license to practice veterinary medicine suspended and restricted by another licensing authority constitutes unprofessional conduct within the meaning of Wis. Admin. Code sec. VE 7.06(6).

#### ORDER

NOW, THEREFORE, IT IS ORDERED that the Stipulation of the parties, as attached hereto, is accepted.

IT IS FURTHER ORDERED, that the license of CHARLES F. WOODWARD, DVM to practice veterinary medicine in the State of Wisconsin shall be LIMITED on the following terms and conditions:

1. Respondent shall immediately establish and maintain a veterinarian-client-patient relationship as defined in Wis. Stats. secs. 453.02 (8) and 453.068 with any client and animal for whom he is providing veterinary services. Respondent's records shall include, but not be limited to, detail of the farm visits, animal examinations, testing, discussions, diagnoses and treatment recommendations and outcome, which form the basis of that relationship and meet the requirements of the statutory sections set forth herein.

2. Respondent shall not prescribe, dispense, sell or otherwise distribute any prescription drug for animal use. Respondent may personally administer prescription drugs directly to the animal patient. In the event Respondent believes the animal's condition requires further treatment by the client or the client's designee with a prescription drug, Respondent shall so advise the client and suggest referral to another veterinarian. This limitation is permanent.

3. No later than June 1, 2005, Respondent shall participate in and successfully complete a one half day record keeping course to be conducted by the University of Wisconsin School of Veterinary Medicine. All costs associated with this program shall be the sole responsibility of Respondent.

4. No later than July 1, 2005, Respondent shall develop record keeping and labeling systems which comply with the requirements of Wis. Admin. Code sec. VE 7.03, Wis. Stats. sec. 453.068 and all other federal and state requirements for veterinary practice. Samples of his proposed recordkeeping and labeling shall be submitted to the Veterinary Examining Board or its designee for approval prior to implementation in his practice. Respondent will make any recommended changes to the proposed systems. Such approval or requested changes shall be provided to Respondent within three weeks of receipt of the samples in the Department.

5. Respondent shall permit the Department of Regulation and Licensing, Division of Enforcement to conduct a random audit of his medical records and labeling procedures between August 1, 2005 and October 1, 2005. The audit shall be limited to records created on or after July 1, 2005. Respondent shall identify for the Department's designee all records created between July 1 and the date of the audit and the designee shall collect copies of ten randomly selected records and five samples of labels created by Respondent. The collected records and labels shall be reviewed by the Veterinary Examining Board or its designee to determine compliance with recordkeeping and labeling legal requirements. Respondent shall provide any additional information requested by the Board or the Department with regard to those records and labels.

6. Respondent shall pay costs in this matter in the amount of \$500 payable to the Department of Regulation and Licensing in two payments of \$250 due on August 1, 2005 and January 1, 2006 respectively.

7. Submission of all required documentation and payment of costs shall be mailed to:

Department Monitor  
Division of Enforcement  
Department of Regulation and Licensing  
P.O. Box 8935  
Madison, WI 53708-8935  
Telephone (608) 267-3817  
Fax (608) 266-2264

IT IS FURTHER ORDERED that in the event CHARLES F. WOORDWARD D.V.M. wishes to resume the prescribing and dispensing of prescription drugs under his veterinary license in the State of Wisconsin at a future date, he may petition the Veterinary Examining Board for removal of the limitation no sooner than one year from the effective date of this Order. In considering this request, Respondent shall appear before the Board to satisfy the Board as to his competence to resume prescribing or dispensing of prescription drugs. Evidence of competence may include, but not be limited to, any testing, evaluation, assessment, retraining or restrictions, the Board deems appropriate for the protection of the public prior to granting any petition by Respondent.

IT IS FURTHER ORDERED that in the event that the Veterinary Examining Board denies the request of CHARLES F. WOODWARD D.V.M. for removal or this limitation or allows removal with restrictions, such denial or restriction shall not constitute a denial of a license within the meaning of Wis. Stats. sec. 227.01(3) (a).

IT IS FURTHER ORDERED that violation of any of the terms of this Order may be construed as conduct imperiling public health, safety and welfare and may result in a summary suspension of Respondent's license. The Board in its discretion may in the alternative impose additional conditions and limitations or other additional discipline for a violation of any of the terms of this Order. In the event Respondent fails to pay costs as ordered, the Respondent's license SHALL BE SUSPENDED, without further notice or hearing, until Respondent has complied with the terms of this Order.

IT IS FURTHER ORDERED that this Order is effective upon signing.

Dated this 23<sup>rd</sup> day of February, 2005.
