

RFO Number RFO0044

Requesting Entity Name Human Services Department

Request Title MNsure IT Development Project - Business Analyst Needs

Request Description MN.IT @ DHS is issuing this Request for Offers (RFO) to secure up to ten (10) Business Analysts, all of whom must have strong experience developing large and complex systems. Each Analyst will perform business analysis functions on MNsure development projects using a set of tasks and techniques to successfully act as a liaison among stakeholders in order to understand the structure, policies and operations of an organization. Each resource must be capable of articulating and recommending solutions that enable projects to be successful and goals met. Specifically, this includes actively participating in requirements gathering sessions to analyze, define and document business processes, software requirements, data management systems, interface specifications and development of specifications for technology initiatives.
