

RFO Number RFO0047

Requesting Entity Name Human Services Department

Request Title MNsure Project - 834/820 Team (4 members)

Request Description MN.IT @ DHS is issuing this Request for Offers (RFO) to procure the services of a team comprised of the following: one (1) Program/Project Manager, one (1) Systems Analyst, and two (2) Developers/Programmers. Each team member must have strong experience in large and complex systems development projects. The 834/820 team will provide consultation, design and development, and project management expertise to the MNsure IT project managed by MN.IT @ DHS. The team will develop/modify and enhance electronic 834 and 820 processing to support MNsure's automated enrollment processing to multiple insurance carriers. These include changes required due to modifications or newly introduced code from adjoining systems such as IBM/Curam, Connecture, EngagePoint product suite and ESOR (Enrollment System of Record), etc. The team must be able to provide "diagnostic analysis" of the MNsure system as issues are reported. This team will work with the MN.IT @ DHS team supporting the 834/82 process long term and provide knowledge transfer to those staff.
