

RFO Number RFO0067
Requesting Entity Name Human Services Department
Request Title MNsure Project - Lead System Analyst
Request Description MN.IT@DHS is issuing this Request for Offers (RFO) to procure the services of one (1) Lead System Analyst with strong experience in large and complex systems development projects. The Lead Systems Analyst provides leadership and coordination of project teams consisting of business analysts, technical staff, business and vendors. Performs systems analyst activities and makes recommendations in areas that require a high level of technical competency. The Lead Systems Analyst must be able to provide "diagnostic analysis" of the MNsure system as issues are reported. This includes changes required due to modifications or newly introduced code from adjoining systems such as IBM/Curam, Connecture, EngagePoint product suite and ESOR (Enrollment System of Record), etc.

Contract(s) Awarded

Contract ID 97093

Entity Type

State Agency

Information on contracts executed by an entity type of State Agency can be found using the contract ID in the MN Open CheckBook under TransparencyMN located at <http://mn.gov/mmb/transparency-mn/>.

For information on contracts executed by an entity type other than State Agency you will need to contact that entity directly using the contact information that was provided in the RFO.
