RFO Number RFO0084

Requesting Entity Name Human Services Department

Request Title Expansion of Phoenix System

Request Description The Minnesota Sex Offender Program (MSOP) is seeking to augment the existing project with a Business Analyst and a C# (C-sharp) Software Developer.

This augmentation is needed to add critical modules and make enhancements to the Phoenix application. Phoenix is a browser-based software system that was created in 2010 to serve the business needs of the Minnesota Sex Offender Program (MSOP). Since then the system has evolved and become increasingly complex. Improvements and changes have necessitated further development and enhancements to Phoenix.
