

## **Java/J2EE Developer Vendor Questions with Department Answers**

Is there an incumbent vendor currently providing these services to MnDOR?

Yes

Does MnDOR already have a candidate under consideration to perform the duties outlined in this SOW?

Please confirm whether selected vendor will be paid on an hourly basis for services provided under this contract, based on MnDOR approved contractor time sheets, or if selected vendor will be paid based on completed/signed-off deliverables? Hourly basis

Please confirm that a MnDOR Project Manager will be responsible for directing the selected vendor's resource work tasks/assignments? Yes

Please confirm that MnDOR will provide selected vendor resource with the necessary workspace, hardware, software, and desktop/laptop computer to perform the duties outlined in this SOW? Yes

Does MnDOR anticipate that selected resource will be expected to perform any off-hours or weekend work under the scope of this SOW? No

Does MnDOR have a pre-determined/allocated budget (either hourly billing rate or total project cost) for this SOW? Hourly billing rate - only those resumes proposing a maximum rate of \$95 per hour will be considered

If yes, can you please share the budgeted amount? N/A

What is the anticipated daily work schedule for selected vendor resource (8AM to 5PM, Monday thru Friday)? We are flexible on this as long as the resource can be on-site for the same 8 hour period each day. Hours are between 7:00 am – 5:00 pm.

Please confirm that MnDOR expectation is that selected resource will be working 100% on-site at MnDOR location. Yes

Which version/release of Glassfish Application Server is DOR currently using? Glassfish v3.1

Will DOR consider candidates who do not have experience Glassfish Application Server, but who have experience with some other Java Application Server? No, Glassfish is a required skill

Did MnDOR successfully partner with another vendor to perform the duties outlined in its "Electronic Government Services Project" SOW posted in March of 2010? [Yes](#)

The anticipated duration for MnDOR's "Electronic Government Services Project" SOW posted March 2010 was for 24 months. [Yes](#)

Does MnDOR anticipate bringing on an additional J2EE consultant to work along side this resource or is it MnDOR's intent to extend the existing J2EE resource? [This SOW is independent of the March 2010 posting](#)

Is DOR open to phone interviews? [Yes, if resource is not local.](#)

Can subcontractors be used for this SOW? [Yes](#)

Must consultants be US citizens? [No](#)
