## **Policies & Procedure**

### FFY22 refunds reminder

Service Providers should receive refund notifications and can also check on and manage refunds under Payment Services > EAP Benefits tab and search Refund Only: Yes. eHEAT automatically de-obligates refunds as soon as the vendor enters them.

For info on handling Supplemental Payment refunds, see these *Energizer* editions: <u>10/11/22</u>, <u>10/19/22</u>.

If a FFY22 payment goes to a new energy vendor account, Commerce must add the new information to the household's FFY22 eHEAT application. Send the following information to <a href="mailto:eheat.doc@state.mn.us">eheat.doc@state.mn.us</a>:

- Household number:
- Energy vendor name and vendor number:
- Name on account:
- Account number:
- Fuel Type:

## **Key dates**

 December 1 – Date after which FFY22 refunds cannot be redirected to a household's new account.

February 1 - FFY23 Proactive Energy Self-Sufficiency Plans are due.
