

Marketplace SERFF Request to Re-open Form	
<input type="checkbox"/> Checkmark if the request is urgent.	
Company Name:	
Company Contact:	
List the filing year and corresponding SERFF filings (Rate, Form and Binders):	
Summary of request:	
Is this an urgent request? If so, please explain why.	
Will this request impact an on-exchange filing, HIOS or template submission?	
Explain how the item was discovered and what actions are being taking to prevent this from occurring in the future?	

Trade secret requests: To be considered trade secret information, the data must meet the definition under Minnesota Statutes, section 13.37, subdivision 1(b). As part of your filing, explain why the data should be maintained as trade secret information.

This document will be attached to the SERFF file that is being reopened. If you consider this request, and the information being updated as trade secret, please submit your justification.
