Subject: Cannon Falls Pipeline

Bill, This in regard to the pipeline pertaining to the Toohey/Gustafson farm. To date, I have seen 2 differant mapsas tio the proposed pipeline route, one of which follows the outside perimeter of the farm. The other map shows the pipeline going through the center of the farm. We would prefer the route the follows the perimeter of the farm. Thank You

We believe the land
quality for crops will be
permanently damaged and
property value will ~~be~~ be
lowered and we are not
happy
