

Freeport to St. Cloud Advisory Task Force

Task Force Charge:

The ATF members will assist the OES in determining specific impacts and issues of local concern that should be evaluated in the EIS.

ATF members will assist the OES in determining potential route alternatives that should be assessed in the EIS.

Plan of Action

Meeting 1 – January 22, 2010: Review project and process; identify issues and impacts to be considered in EIS (Charge 1)

Meeting 2 – February 4, 2010: Discuss issues and impacts (Charge 1), review the two proposed routes and begin discussing alternative routes and route segments based on identified criteria (Charge 2)

Meeting 3 – February 25, 2010: Discuss alternative routes and/or route segments (Charge 2), wrap-up
