---

The Minnesota Public Utilities Commission (Commission) has authorized the Department of Commerce, Office of Energy Security (OES) to establish advisory task forces to advise OES staff on the impacts and issues to be considered and the routes to be evaluated in the environmental impact statement for this project. Meetings are open to the public; however, participation is limited to task force members.

Additional information about the Hampton – Rochester – La Crosse transmission line project is available on the Commission's energy facility permitting website:  
<http://energyfacilities.puc.state.mn.us/Docket.html?Id=25731>.

If you have questions or would like more information about this project, please contact state permit manager, Matt Langan (Tel: 651.296.2096 or [matthew.langan@state.mn.us](mailto:matthew.langan@state.mn.us)) or public advisor, Ray Kirsch (Tel: 651.296.7588 or [raymond.kirsch@state.mn.us](mailto:raymond.kirsch@state.mn.us)).
