Jeff Adolphson
Lake Emma Township
2620 County Road 4
Park Rapids, MN 56470

Dear Mr. Adolphson:

I am pleased to inform you of your appointment to the advisory task force (ATF) for the Potato Lake 115 kV transmission line project.

The ATF will assist Office of Energy Security (OES) Energy Facility Permitting (EFP) staff in developing the scope of the environmental assessment for the proposed project. Specifically, the ATF will, (1) assist the EFP staff in identifying specific impacts and issues of local concern particularly regarding potential conflicts with local planning and zoning, and (2) will assist the EFP staff in identifying potential alternative transmission line routes or route segments and alignments that may maximize positive impacts and minimize or avoid negative impacts of the project in the specific area of concern.

ATF meetings are scheduled to meet at the C'mon Inn, 1009 First Street East in Park Rapids (<http://www.cmoninn.com/midwest-hotel-locations/park-rapids/>). The first meeting is scheduled for Tuesday, May 4, 2010, from 1:00 p.m. – 4:00 p.m. and the second is scheduled for Tuesday, May 18, 2010, from 1:00 p.m. – 4:00 p.m. Materials for the first meeting are included with this letter and/or will be provided at the meeting. Please familiarize yourself with the project and have the attached Issues and Impacts Worksheet filled out and ready for the first meeting.

Meetings will be managed by a facilitator engaged by EFP staff. The ATF will expire upon completion of its charge or upon release of the environmental assessment scoping decision by the director of the OES, whichever occurs first (Minnesota Statute 216E.08).

If you have questions about task force logistics or a conflict with the proposed meeting schedule, please contact me by phone at (651) 296-8813 or email at scott.ek@state.mn.us.

Electronic versions of the route permit application and other documents relevant to this project are available for viewing and download at: <http://energyfacilities.puc.state.mn.us/Docket.html?Id=26124>.

Your willingness to assist the Minnesota Public Utilities Commission and the Office of Energy Security in this effort is appreciated.
