for a 42-Megawatt Large Wind Energy  
Conversion System in Stearns County

ISSUE DATE: February 4, 2013

DOCKET NO. IP-6853/WS-10-1240

ERRATUM NOTICE

On January 28, 2013, the Commission issued a site permit to Black Oak Wind, LLC for the construction and operation of a 42-megawatt wind energy conversion system in Stearns County. Through inadvertence, permit section 6.8 (a) failed to include the word "nameplate" in referring to installed capacity.

Section 6.8 (a) is therefore amended to read as follows:

(a) The installed nameplate capacity of the permitted Project;

The site permit issued on January 28, 2013 remains unchanged in all other respects.

BY ORDER OF THE COMMISSION

Executive Secretary
