

Hollydale Advisory Task Force

Task Force Charge:

The advisory task force (ATF) will assist Department of Commerce, Energy Facility Permitting (EFP) staff with identification of specific impacts and issues of local concern that should be evaluated in the environmental assessment.

The ATF will assist EFP staff in identifying potential route alternatives that should be assessed in the environmental assessment.

Plan of Action

Meeting 1 – October 18, 2011: Review project and process; identify issues and impacts to be considered in environmental assessment (Charge 1); begin discussing alternative routes and route segments (Charge 2).

Meeting 2 – November 1, 2011: Review, discuss and analyze alternative routes and/or route segments (Charge 2), wrap-up.
