Appendices

Appendix A – Stearns County C-BED Resolutions

Appendix B – Black Oak Station Configuration

Appendix C – Expected dB(A) Noise Calculations by Receptor

Appendix D – Shadow Flicker By Receptor in Hours and Minutes / Year

Appendix E – State Historic Preservation Office Correspondence

Appendix F – Native American Tribes Correspondence

Appendix G – MDNR Consultations and Correspondence

Appendix H – USFWS Consultations and Correspondence

Appendix I – Avian Use Assessment Report

Appendix J – Potential Species List by Class

Appendix K – Preliminary Archeological Field Investigation
