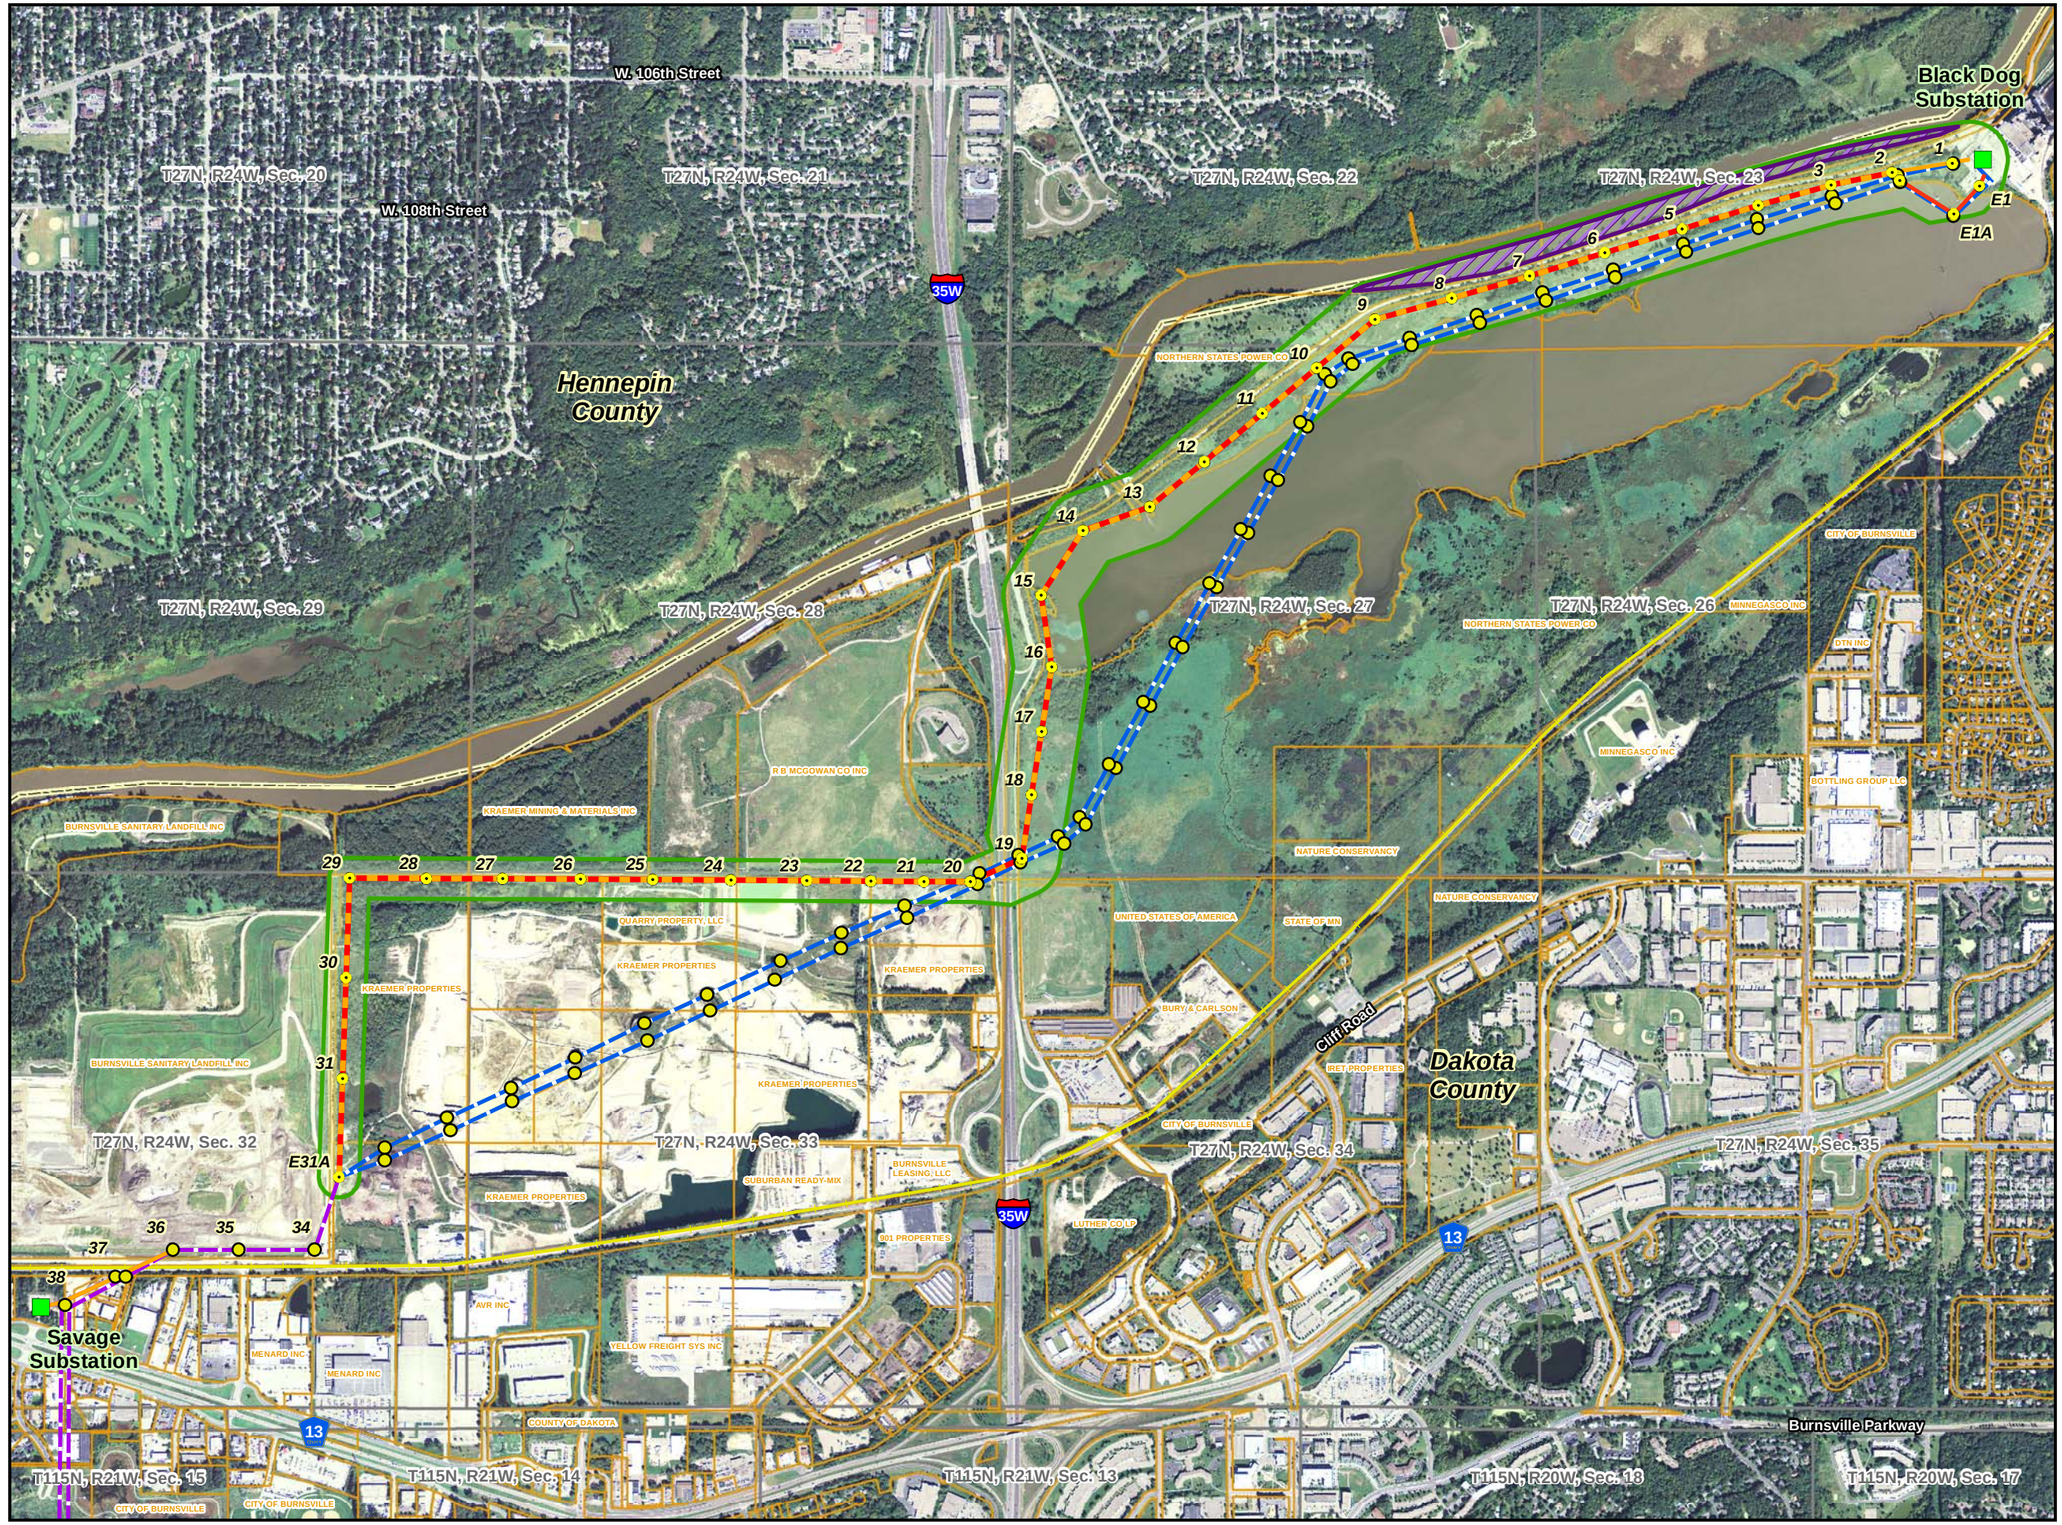
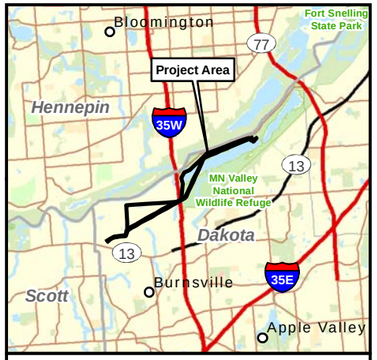
Appendix B. Maps





0 750 1,500 Feet

1 inch = 1,500 feet

- Proposed Structures
- Existing Structures
- Xcel Owned Substation
- Proposed Line 0861 Single Circuit (115kV)
- Proposed Line 0844 Single Circuit (115kV)
- Proposed Line 0844 and 0861 Double Circuit (115kV)
- Existing Line Removal (0844 and 0861)
- Existing Lines (0844 and 0861)
- Union-Pacific Railroad
- Excised Area of Proposed Route
- Proposed Route
- Dakota County Parcel
- Section Boundary
- County Boundary

Black Dog to Savage 115 kV Project

Map B-1

Project Overview Map

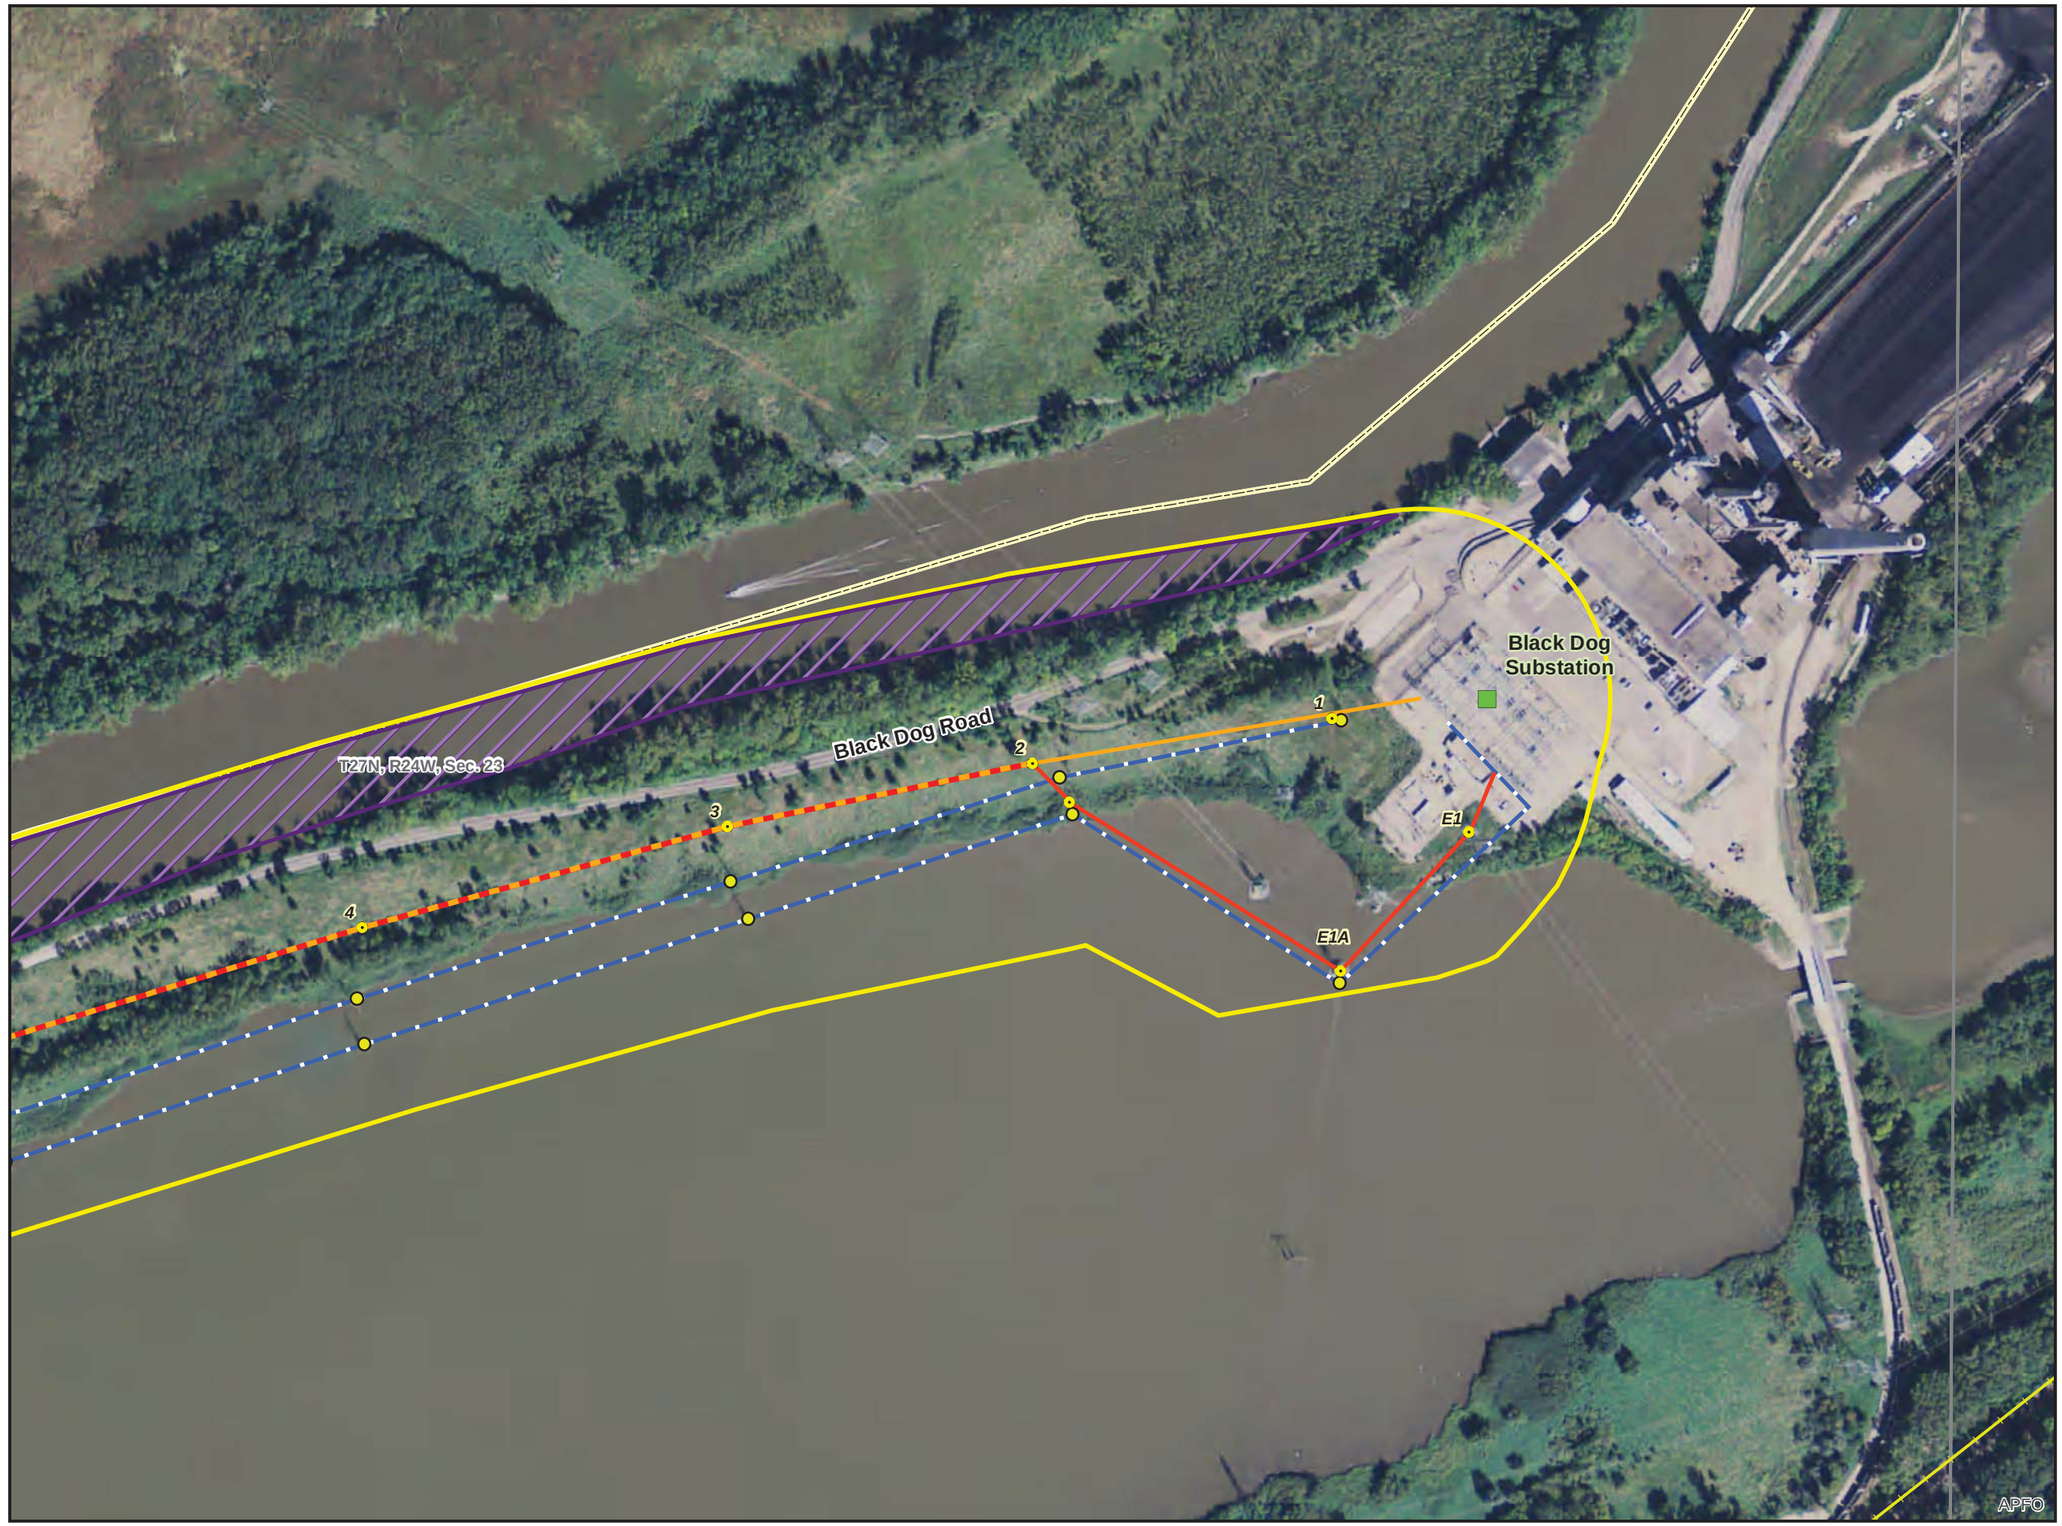
This information is for environmental review purposes only.
Revision Date: 07/02/2012



0 150 300 Feet

1 inch = 300 feet

- Proposed Structures
- Existing Structures
- Xcel Owned Substation
- Storm Sewer
- Proposed Line 0861 Single Circuit (115kV)
- Proposed Line 0844 Single Circuit (115kV)
- Proposed Line 0844 and 0861 Double Circuit (115kV)
- Existing Line Removal (0844 and 0861)
- Existing Lines (0844 and 0861)
- Union-Pacific Railroad
- Excised Area of Proposed Route
- Proposed Route
- Section Boundary
- County Boundary
