Please share your comments and suggestions on the potential issues, impacts, and potential conditions that should be considered in preparing the Draft Site Permit (WS-13-843) for the proposed Odell Wind Farm.

You may turn in this form tonight or mail it to the address provided (use additional sheets as necessary). You may email comments to Richard Davis, Environmental Review Manager at richard.davis@state.mn.us or fax to (651) 539-0109, with **WS-13-843** in the subject line. Comments must be received no later than **4:30 PM, Friday, December 27, 2013.**

- Bald eagles are in the area
- Micro climate changes - Both in wind patterns rainfall changes, storm fronts
- AutoSteer RTK guidance affected from the generator electrical fields impedes precision farming
