Re: Letter of Support- Sandpiper Pipeline Project
Minnesota PUC Docket PL668/CN-13-473 and PL668/PPL-13-474

Dear Secretary Haar:

EOG Resources, Inc. ("EOG") is a shipper on the North Dakota Pipeline Company LLC's ("NDPC") crude oil transportation pipeline that transports crude oil out of the Bakken Shale in North Dakota to Minnesota and points beyond in the Midwest via its affiliated Enbridge pipeline system. EOG believes that NDPC's Sandpiper Pipeline Project, as proposed, will provide important new pipeline infrastructure for the region. Accordingly, EOG filed the attached Motion to Intervene and Comments in Support in the ongoing NDPC proceeding before the Federal Energy Regulatory Commission related to this project.

EOG shares this information with the Minnesota PUC to indicate its support for the proposed Sandpiper Pipeline Project.

Sincerely,

EOG Resources, Inc.
