Dear Bill Storm,

We, the board of Lawrence Township, oppose the orange route that would cross Itasca County roads number 8 and number 336.

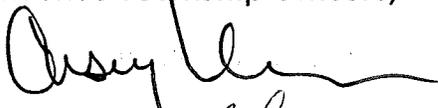

Reasons for the opposition:

- a.) Concerns of environmental hazards to our residents, the wildlife, the wetlands and the vegetation from the construction and the emissions that are transmitted from the power lines.
- b.) We feel there would be a great impact to the property values causing a significant decrease in tax revenue to our township.

Thank-you for your consideration.

Respectfully yours,

Lawrence Township Officers,

Esther Savage 7-16-14
Frank B Olson 7-16-14
Cheryl Bures 7-16-14
