

PROPOSED  
RESOLUTION OF THE  
MINNESOTA ENVIRONMENTAL QUALITY BOARD

December 19, 2002

Application of the City of Hutchinson  
for a  
Pipeline Routing Permit  
and for a  
Partial Exemption from Pipeline Route Selection Procedures  
Pursuant to Minnesota Statutes § 116I.015  
and  
Minnesota Rules Chapter 4415

MEQB Docket No. 02-33-PRP-HUC

BE IT RESOLVED, that the Minnesota Environmental Quality Board adopts the MEQB staff proposed Findings of Fact, Conclusions and Order granting a partial exemption from pipeline route selection procedures and issues pipeline routing permit as drafted by EQB staff to the City of Hutchinson (Hutchinson Utilities Commission) for the Trimont to Hutchinson natural gas pipeline project as described in its EQB accepted application; and

BE IT FURTHER RESOLVED, that Gene Hugoson, the chair of the Board, is authorized to sign the Findings of Fact, Conclusions and Order and the Pipeline Routing Permit.
