

Introduction to Twitter

Edit Your Profile

1. To edit your profile, click Me in the top menu.
2. Click Edit Profile.
3. Click on the pencil icon to change your picture or your headline/biography.
4. To change your background, click on the pencil at the top right.

Tweeting

1. **Create a Tweet:** Click on blue box at top right. This box will open:

The screenshot shows a window titled "What's happening?" with a close button (x) in the top right corner. Below the title is a large text input field with a vertical cursor. At the bottom left of the input field are two icons: a camera and a location pin. At the bottom right, there is a character count "140" and a "Tweet" button.

- Type your tweet. Include a picture by clicking on the camera.
 - Add a location by clicking on the location pointer.
 - Add followers by their username, like @positivelymn.
2. **Favorite a Tweet:** Hover over the tweet and then click on *Favorite.
 - To find the list of tweets you've favorited: Click Me, then click on Favorites in the left menu.
 3. **Retweet:** Hover over the tweet, click on Retweet, then click on the blue retweet button.
 4. **Reply:** Hover over the tweet, click on Reply, then type in your response.

Following People

1. To find people to follow: Click on Discover in the top menu. Then explore the links in the left menu (Tweets, Activity, Who to Follow, Find Friends, Popular Accounts)
2. To create lists:
 - Click on Me.
 - Click the List link in the left menu.
 - Click on Create List to make your list.
