### Request for Comments/Input

The Minnesota Gambling Control Board is gathering information and seeking comments to help identify potential legislative initiatives and/or rule amendments pertaining to our regulatory oversight. Comments should include specific issues or concerns with interpretation of statute and rule, and specific reasons why you believe this is an issue and suggestions to address the issue.

Your comments should include:

1. the statutes or rules on which you are commenting;
2. your name;
3. who you represent; and
4. your contact information.

The Board has the final decision on whether to include any comments or suggestions in any future legislative initiative or rules process as proposed by the Board. Any issues or concerns not considered by the Board can be presented to other industry representatives or directly to legislators for consideration.

Comments will be accepted until 4:30 p.m. on Friday, August 5, 2016.

Submit your comments or suggestions to:
