Attempts have been made to deconstruct then reconstruct the pull-tab tickets so that the serial number on the front would match a game being played at a site.

**BE SURE TO CHECK THE SERIAL NUMBER ON THE FRONT AND THE BACK OF EACH TICKET REDEEMED.** Sometimes you can tell a ticket has been altered by feeling for cuts or pastes.

### **If someone attempts to redeem at your site:**

1. Do not redeem the ticket(s).
2. Retain the ticket(s) if possible.
3. Identify the person attempting to redeem the ticket(s) by their driver's license by either scanning it or writing down the information from the license before giving it back.
4. Attempt to obtain a description and license plate number of any vehicle the suspect is driving, if possible.
5. Notify local police and the Gambling Control Board of any attempt to redeem the ticket(s) as soon as possible.

If your organization is the victim of a burglary, notify the Minnesota Gambling Control Board at 651-539-1900 immediately.
