

4/7/17 – Burglaries; Alexandria Area

The Alexandria area has recently experienced a rash of burglaries. Sites using pull-tab dispensing devices appear to be the target.

Minimize Your Organization's Risk:

- Be sure to visit your sites.
- Minimizing cash on site and making deposits alleviates cash exposure and risk.
- Lock up cash banks and reinforce the machines for security.
- Contact your distributor regarding available security measures that can be taken or installed to deter theft.
