Sellers should always be diligent to check winning pull-tabs being redeemed against the deals they have in play to make certain that the form and serial numbers match.

Organizations should be aware that someone may try to redeem the tickets. If someone attempts to redeem at your site:

1. Do not redeem the ticket(s).
2. Retain the ticket(s) if possible.
3. Identify the person attempting to redeem the ticket(s) by their driver's license by either scanning it or writing down the information from the license before giving it back.
4. Attempt to obtain a description and license plate number of any vehicle the suspect is driving, if possible.

Notify local police of any attempt to redeem the ticket(s) as soon as possible.
