

**LG510 City or County Annual Report, 10% Lawful Gambling Contribution Fund**

**10% Lawful Gambling Contribution Fund Allowance**

Minnesota Statutes, Section 349.213, Subdivision 1, paragraph (f)(2), allows a city or county to require (by ordinance) an organization to contribute up to 10% per year of net profits, less taxes assessed on lawful gambling, to a fund that the city or county administers. The 10% contribution requirement may only be applied to net profits derived from lawful gambling conducted at premises within the city or county's jurisdiction. Net profits are gross profits less amounts expended for (a) allowable expenses, and (b) lawful gambling taxes.

Organizations must make 10% fund checks payable to the city or county requiring the funds, and not to any other payee. A licensed organization that contributes to the 10% fund may not be a beneficiary of that fund. A required contribution is different from a voluntary contribution to units of government (under lawful purpose Code A10) for government programs and projects, and cities or counties are not required to report voluntary contributions to the Board.
