

LG510 City or County Annual Report, 10% Lawful Gambling Contribution Fund

10% Lawful Gambling Contribution Fund Allowance

Minnesota Statutes, Section 349.213, Subdivision 1, Paragraph (f)(2), allows a city or county to require (by ordinance) an organization to contribute up to 10% per year of net profits to a fund that the city or county administers.

For purposes of the 10% contribution, net profits are gross profits less amounts expended for that site's allowable expenses and portion of lawful gambling taxes.

- * The 10% contribution requirement may only be applied to net profits derived from lawful gambling conducted at premises within the city or county's jurisdiction.
- * A city or county may request from an organization a copy of the site's LG100A showing that site's net profit.
- * Organizations must make 10% fund checks payable to the city or county requiring the funds, and not to any other payee.
- * A licensed organization that contributes to the 10% fund may not be a beneficiary of that fund.
- * A required contribution is different from a voluntary contribution to units of government (under lawful purpose Code A10) for government programs and projects, and cities or counties are not required to report voluntary contributions to the Board.
