The Business Energy Retrofit Program

The **Business Energy Retrofit Program (BER)** is designed to aid in financing energy retrofit projects. The **BER Grant Program** will provide business owners 1/3 of the total project cost up to \$20,000.

Come to an information session to:

1. Learn about the program:
 - What type of projects are eligible?
 - When will funding will be available?
 - How do I apply?
2. Talk with other business owners who have utilized the grant program
3. Learn about other energy saving resources available for businesses

Business owners and others interested in learning more about the IRRRB **Business Energy Retrofit** program are invited to any of the three informational meetings:
