Jerome Daly

As you are on my mailing list, at your request, attached kindly find 2 copies of a decision rendered at Credit River Twp. Justice of the Peace Court on December 9, 1968 by Justice Martin V. Mahoney, who by occupation is a dirt farmer and a carpenter and who is not dependent upon the fraudulent Federal Reserve Mob for his sustenance; thus he was able to view the whole fraud, which is Global in scope, with a mind in the settled calmness of impartiality, disinterestedness, and fairness, in keeping with his oath and with a completely friendly feeling toward the Constitution of the United States of America.

In truth and in fact the Justice of the Peace Court is the highest Court in the land as it is the closest to the People. Every Judge who is dependent upon this fraudulent Federal Reserve, National and State Banking System for his sole support is disqualified because of self interest and has no jurisdiction to sit in review of this Judgment. If any Appellate Court, including the Supreme Court of the United States, in the review of this Judgment, perpetrates a fraud upon the People by defying the Constitutional Law of the United States Mahoney has resolved that he will convene another Jury in Credit River Township to try the issue of the Fraud on the part of any State or Federal Judge, and in an action on my part to recover the possession if the Jury decides in my favor, the Constable and the Citizens Militia of Credit River Township will, pursuant to the law, deliver me back into possession. So you see this Justice of the Peace can keep the peace in Scott County, Minnesota, not with the help of these State and Federal Judges who have fled reality, but in spite of them. Thus Thomas Jefferson's prophesy with reference to Chattel Slavery once again rings true; "God's Justice will not sleep forever."

One wonders sometimes what the United States, and its leaders, including the Shylock usury element, did to bring on a Pearl Harbor attack on December 7, 1941 with such suddenness and devastation. It could be the Judgment of a Just God giving vent to a stored wrath in retaliation to the money changers. It is ironic in deed that the Jury should return its verdict on the same day 27 years later and the National and International Banking and Oil Mob shudder in their back rooms where they have cornered the money of the World and where they
